OFFICIALS AIR BOND ISSUE

Here's Breakdown of Costs In City Improvement Plan

Presented here is the first of two articles outlining construction projects for Antioch to be financed in part by \$325,000 bond issue to be voted upon in referendum Feb. 25. Next week's issue of The Antioch News will present part II of the program.

The first part of a village-wide improvement program will be voted upon in Antioch Saturday, Feb. 25, when the important program of constructing necessary sanitary sewer facilities and authorizing \$325,000 bonds will be submitted to village residents.

This election covers expansion of the sanitary sewer system only, to be paid by the issue of general obligation bonds. The second part of the improvement program to be authorized at a later date, consisting of waterworks system construction and the extension of sanitary sewers in Oakwood Knolls, will be paid by an issue of revenue bonds.

General Obligation Bonds are paid from taxes shared equally by all property owners in proportion to the assessed valuation of their property. Revenue Bonds are paid from rates charged for water and sewer service.

All major improvements to be undertaken in Antioch this year follow the recommendations made by village engineers in their report of last October. The sanitary sewer recommendations follow directives of the State Sanitary Water Board calling attention to the critically overloaded condition existing at the sewage treatment plant which prompted the study. All improvements outlined in the engineer's report and the parts to be paid by general obligation bonds and revenue bonds are listed below:

General Obligation Bonds - Part I

1. Enlargement of sewage treatment plant	\$215,000
2. Trunk relief sewer to treatment plant	22,700
3. Lift Station - Depot St. & Anita St.	20,000
4. Trunk sewer on Anita St. from Depot St. to North Avenue	30,575
5. Replacement of inadequate 6 inch sewer on Spafford St., Victoria St. and No. Main St.	30,000
6. Engineering, Legal & Contingencies	6,725
Total Cost - Part I	\$325,000

Revenue Bonds - Part II

7. Sanitary Sewers - Oakwood Knolls	\$160,000
8. 10 inch water main from Well No. 3 (Ida St.) along Anita St. to North Avenue connection	54,880
9. 10 inch water main on Broadway from elevated tank to water main in Lake Street	8,040
10. 10 inch water main on Depot Street	7,355
11. Engineering, Legal, Financing & Contingencies	44,725
Total Cost - Part II	\$275,000

The current phase of the program to authorize treatment plant expansion, construction of trunk line sewers and replacement of inadequate sewers will be financed by the issue of general obligation bonds. Although \$325,000 is to be authorized in order to make available the full amount of funds necessary to complete the project, the village has made application for a federal grant to pay part of the cost. Federal funds have been allowed for many communities up to 30 per cent of the treatment plant costs to assist in similar anti-pollution measures. Should the offer of a Federal Grant be received, (there is every belief that one will be made when local financing to pay part of the cost has been assured) then only that amount of bonds necessary to pay the remaining cost will be issued.

A grant in the amount of 30 per cent of \$215,000, or \$64,500 will reduce the amount of bonds to be issued to \$260,500. A bond issue in the amount of \$260,500 will require a tax rate increase of 20c for each \$100 of assessed valuation, or \$2 per \$1,000 valuation. This means that a property owner assessed at \$10,000 would pay an additional \$20 per year in taxes.

As the Village grows with new homes and industry added to the tax rolls, this additional tax for the bond issue will become less each year. Each \$1,000,000 of new valuation added in the Village will reduce the rate by 10c per \$1,000. It is safe to assume that by the time the first funds for this issue are levied in 1962 the requirement for these improvements will be less than \$2 per \$1,000 of assessed valuation.

Without a Federal Grant, if all \$325,000 bonds were issued the tax rate increase would become 25c per \$100 or \$2.50 per \$1,000 of assessed valuation. The difference would be \$5 per year to a property owner assessed at \$10,000.

The need to expand the treatment plant arises from rapid growth of the Village during the last 10 years. The original plant, constructed in 1920 was adequate for a population equivalent of 1100 persons, assuming normal domestic sewage. In 1947, when the population of the village was 1200, minimum modifications were made to the treatment plant at a cost of \$32,000 which enlarged the designed capacity to 1800 persons. These minimum modifications sufficed until 1958 when the State Sanitary Water Board warned the village that the existing units constructed in 1920 were in a state of serious deterioration and that the plant was seriously overloaded. Additional notices were received by the Village until August, 1960, when the State ordered no further sanitary sewers could be constructed in the Village until plant conditions were remedied.

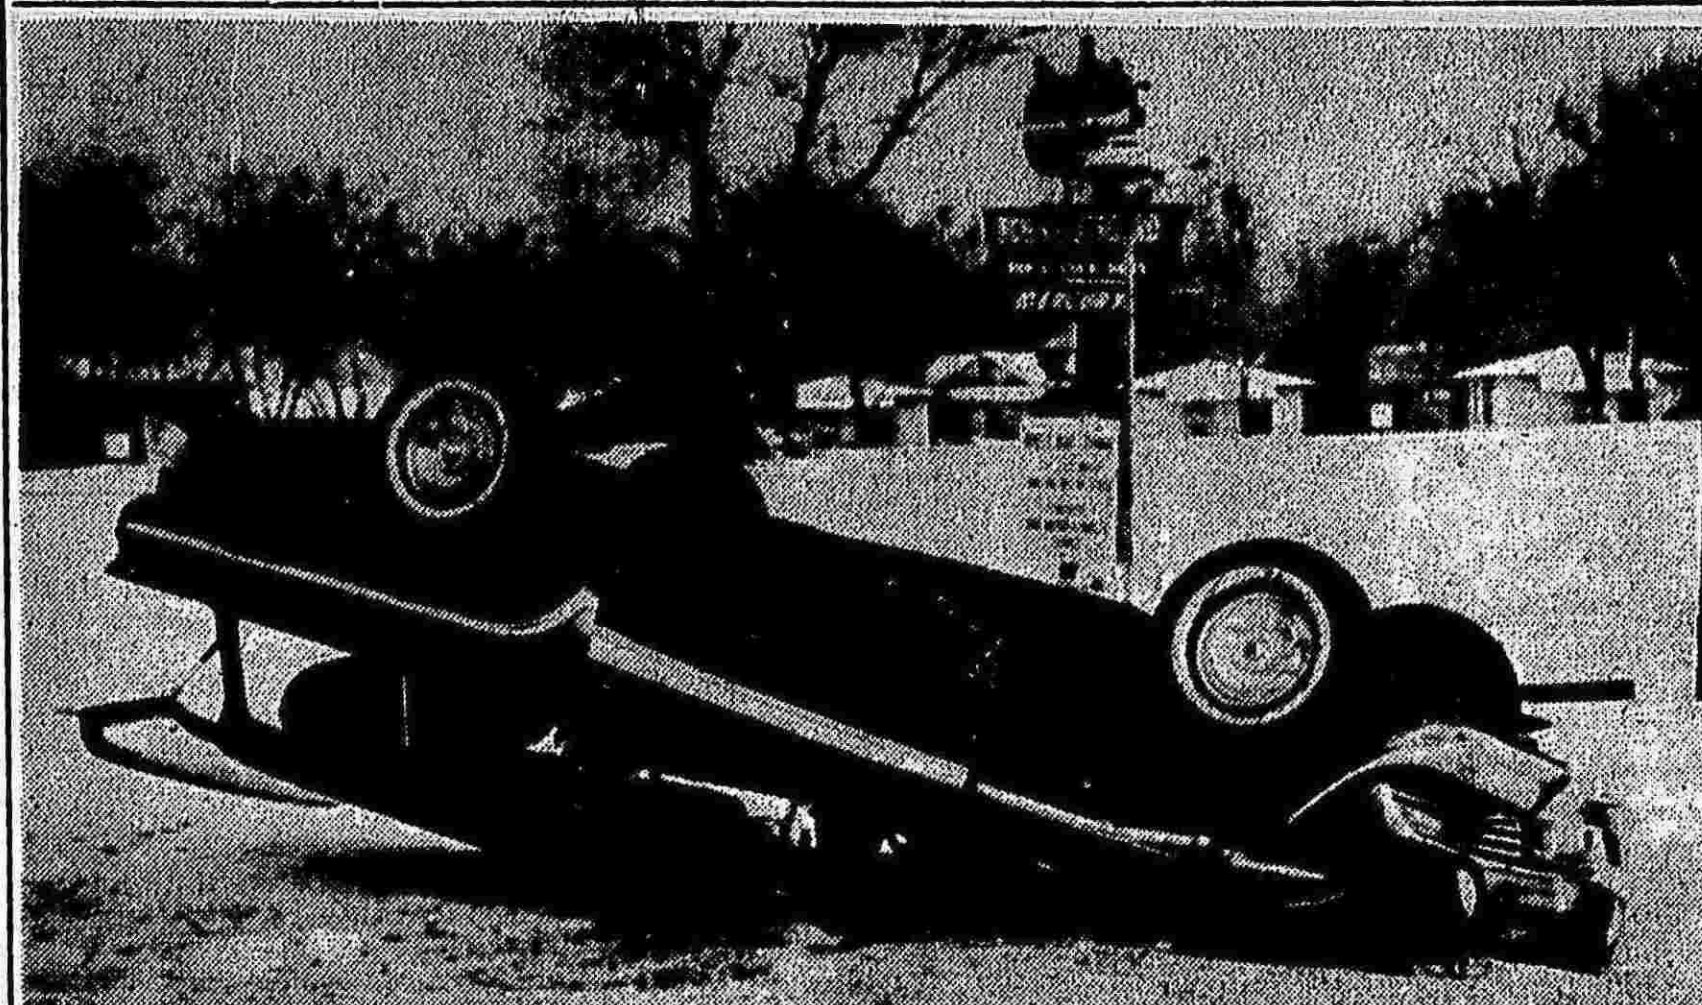

Present village population of 2,200 persons in addition to a high volume of industrial sewage far exceeds the present capacity of the plant. Projected population of the Village to 3,500 persons in 1970, and 5,000 people in 1980, and the projected requirements to service new industry will create a health and economic problem in the Village.

The additional sewer improvements included in the bond issue will provide a parallel trunk sewer 15 inches in capacity to supplement the existing 20 inch sewer to the treatment plant which now operates at full capacity. The new relief trunk sewer approximately 3,100 feet in length will run from the treatment plant to a lift station to be located at Depot St. and Anita Ave. The new lift station will serve the entire area of the village lying East of the Soo Line tracks and North of Depot St. which does not now have sewer service.

A new sewer main is also included for Anita Ave. between Depot Street and North Avenue. This trunk line sewer approximately 4,000 feet in length and of 10 inch and 12 inch capacity will serve as an interceptor for the present unsewered area lying East of the tracks and North and South of North Avenue.

Also included is approximately 3,000 lineal feet of 8 inch and 10 inch sewer to replace inadequate small size mains in Spafford St., Victoria St. and N. Main St. These improvements will serve to provide an adequate system to 1980.

Plan For Civil War Centennial

OPPS — SLIPPERY driving conditions were blamed for this last Friday on Rt. 173, which injured one and tossed two youngsters about. The driver, Mrs. Mildred Whipple, 31, Antioch, suffered arm and shoulder injuries and was hospitalized. Her two children, Daren, 10 months, and Karen, 4, suffered minor bruises. The accident occurred at 9:30 a.m. when Mrs. Whipple was driving east on 173 near Palm's Boat House. The Rescue Squad answered the call.

2,500 Area Scouters Set For Annual Scout-O-Rama

Antioch area boys will join some 2,500 Cub Scouts, Boy Scouts and Explorers and their adult leaders will gather Feb. 11 at the Lake County Fairgrounds to produce West Lake County's biggest exhibition of Scouting in action — the sixth annual Scout-O-Rama of the Northwest District. The event will be part of Boy Scout Week, Feb. 7-13.

"Last year some 10 to 15 thousand people visited the Scout-O-Rama," said George Gaul of Libertyville, Northwest District activities chairman, whose committee is charged with the responsibility for organization of the annual event. "This year we are planning to make it more entertaining and attractive than ever before."

Gaul said efforts are being made to encourage every one of the 86 different scouting units in the district to participate in the Scout-O-Rama. In previous years virtually all units have participated in the one day program. Each unit will have a booth area in which it may display its handiwork and show the visiting public how different Scouting activities are done.

Among the activities at the Scout-O-Rama this year will be the ever-popular Indian dances by the Order of the Arrow. The dances will be performed hourly throughout the afternoon and evening program. Other activities include a "Pine-wood Derby" model car race track, pet displays, a puppet show, motion pictures of a mountain hike taken by one unit, first aid displays, pioneering, railroading, civil defense and nature study exhibits and perhaps a three-quarter scale model of an early stagecoach.

Because of the additional units expected to participate in the event this year, Gaul said, the booth and stage area of the fairgrounds building will be arranged differently this

Ballots On ATHS Issue Available

Absentee ballots on a referendum seeking approval of a \$995,000 bond issue to construct and equip an addition to Antioch Township High School are now available at the high school office, it was announced today. Feb. 11 is the voting date.

The Board of Education will meet in special session Feb. 8 to discuss the pending bond referendum election Feb. 11.

The referendum seeks approval of a \$995,000 bond issue to finance construction of a new addition to the Antioch Township High School and certain remodeling of the existing plant.

The proposed new structure would be two stories, located in front of the present building and would house 11 classrooms, five science rooms, academic department offices, washrooms, cafeteria, kitchen, library, and other facilities. (continued on page 7)

HS Musicians In Chicagoland Band Festival

Antioch High School's dance band will participate in the second annual Chicagoland High School Stage Band Festival, Saturday, Feb. 4, at Oak Lawn (Ill.) Community High School.

The program for the action-packed event includes: Judging of competing stage bands, 8 a.m.-12:30 p.m., by a panel of judges consisting of Ken Bartosz, director of the Northwestern Jazz Workshop Band; Buddy DeFranco, poll-winning clarinetist, teacher, arranger and author; and Charles Suber, authority on jazz and publisher of Down Beat Magazine.

Starting afternoon sessions will be a special clinic at 1:30 p.m. featuring "Airmen of Note", U. S. Air Force Stage Band, conducted by John O'Seeke. Section clinics will follow at 2:15 p.m. in percussion, trombone, guitar, piano, bass saxophone, trombone and trumpet, with each conducted by professional musicians and members of the Air Force Band. This session will also include a band director's clinic.

A stage band clinic will follow at 3:15 p.m. lasting to 5:15 p.m. and will feature rehearsal and demonstration of a clinic band chosen in the morning competition.

Evening activities will open at 7:30 p.m. with the stage band concert and final competition during which top three bands of the morning competition will be judged. A concert by the clinic band, the Air Force trophies and scholarships to the Na-

(continued on page 7)

Groups Map Celebration Here in June

A pageant marking the Civil War Centennial will be held here June 23, 24 and 25.

The celebration will include a huge barbeque, entertainment, parades and other pageantry, according to early planning by members of the Civil War Centennial Committee who met recently to jell ideas for the commemoration.

Attending the meeting were representatives of the Lions Club, Antioch Woman's Club, Chamber of Commerce and American Legion. Other organizations, including the Loyal Order of the Moose, will participate in planning and organizing the event.

Discussed were other possible attractions including a formal celebration honoring Union Army War volunteers from Antioch and a play depicting the times of 1860-1865.

Representatives will discuss tentative plans with their respective organizations, and will meet again Tuesday, Feb. 7, when definite plans and programs will be formulated.

The Lions Club announced that it will donate any profit from the Centennial Event to the community swimming pool.

Two Join Race For Township, Village Posts

Raymond Toft, Antioch businessman, is the latest candidate to file for village office.

Toft will seek election on the Independent Ticket as trustee in the April 18 municipal election.

The People's Ticket last week presented its slate of candidates headed by Mayor Cunningham, incumbent. Others on the People's Ticket are C. B. Shultis, incumbent, for town clerk; Ernest H. Glenn and John M. Blackman, incumbents, for trustees; H. Roger Williams, village trustee, and Richert Folbrick, police magistrate.

Seeking township office in April 4 elections are Dudley Kennedy, oil dealer, for assessor; and for the board of town auditors (three to be chosen), Irving Carey, John P. Miller and George Hawkins, all Antioch businessmen.

They join Mrs. Helen Burke and Nelson Gonyo, candidates for assistant supervisor; and W. Richard Whitacre and Myrtle Biel, incumbents, seeking six-year terms on the library board.

Unconfirmed reports indicate that the newly-created post of township assistant supervisor will be eliminated here. Under state law townships with populations exceeding (continued on page 7)

Bandits Bash School Wall And Net \$44

Police are hunting the "strong-arm" burglars who chopped a hole in the wall at Oakland Grade School to enter the office vault and take \$44.

Principal Clifton Houghton said the loss—and the mess—was discovered by the school janitor early Tuesday. The burglars entered by breaking a window in the third grade room sometime Monday night, Houghton said.

Using a hammer and some type of pick, they carved a hole in the wall of the third grade room, which is adjacent to the school vault. The money apparently was the only thing taken from the vault—other items which are placed there at night for safekeeping were undisturbed.

The burglars also smashed a hole in Houghton's office door, and ransacked desks and filing cabinet in the school offices.

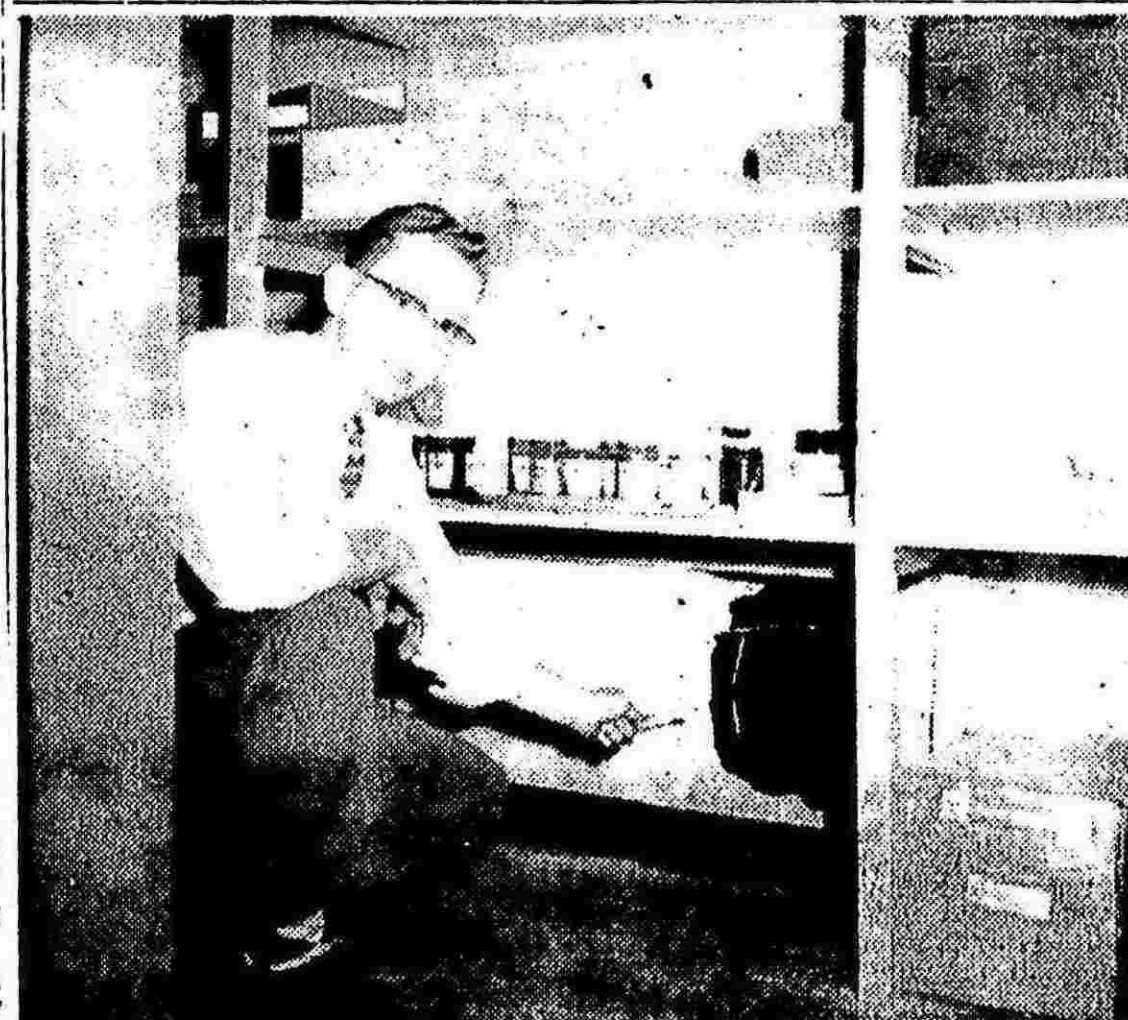

Luckily, Houghton said, there wasn't much money in the vault—as a matter of fact there never is. "We bank school receipts every day," he said, "so burglars would never find very much cash here."

year than in the past. Avenues of unit flags will mark the aisles between display booths.

Another attraction of the program will be the Fifth Army Band, which will perform a concert at 3 p.m. The building doors will open at 1 p.m. to the public on the day of the Scout-O-Rama and formal opening ceremonies will be conducted at 2 p.m. Boys in the Northwest District units have been selling tickets for the past several weeks.

Members of the activities committee will set up the booths on the Thursday before the event and doors of the fairgrounds building will be opened again at 8:30 p.m. on the Friday before so that units may set up their individual displays.

OAKLAND GRADE SCHOOL Principal Clifton Houghton points to hole chopped by burglars to enter the school vault sometime Monday night. They fled with \$44 after ransacking the vault, as well as desks and a filing cabinet in the school offices.

DEAR READER News Editorials

'Strengthen America - - - Character Counts'

The Boy Scouts of America are to be commended for their 51st anniversary slogan. The impact and meaning of these four words are typical of Scouting and should inspire the rest of us.

We as a nation are strong. We are free. We have the dynamism of a still-growing democracy. That growth will continue only through constantly increasing strength. And nothing will strengthen us so much as high character levels of our citizenry.

For 51 years the Boy Scouts of America have been dedicated to the building of character and training in citizenship of American boyhood. The millions of present and former Scouts attest to the strength of the program that has helped produce many outstanding American leaders and citizens.

Each boy, as a Boy Scout, pledges himself to be, "physically strong, mentally awake, and morally straight." In our future, more than ever, we are going to need a strong citizenry to meet the increasing challenges, problems, and opportunities.

We are proud of the 9500 Cub Scouts, Boy Scouts and Explorers of our North Shore Area Council, Boy Scouts of America, and the 3100 fine leaders who work with them. Here character is being built.

We can help. Let us strengthen our local Boy Scout Program.

More Schoolmasters Needed

The United States Office of Education reports that today more than 52 percent of the nation's high school teachers are men. This is the first time in modern history that men high school teachers outnumber women in our high schools.

And it is an encouraging thing.

Let's hope that this reflects a growth in professional status and public recognition of the teacher. In earlier days, most schoolmasters were men. The trend has reversed and most schoolteachers today are women. It's rare to find a male teacher in elementary schools.

Primary reason, of course, is salary.

Some communities are recognizing a need for students to receive instruction from men and are offering more generous salaries to both men and women. Antioch Township moved in this direction with recent action that boosts pay from \$4,600 to \$4,900 for beginning teachers with a bachelor's degree and from \$4,900 to \$5,200 for beginners with a master's.

Advancements such as these will doubtless make the teaching profession more attractive to prospective male teachers, as well as women. The masculine influence is needed at all levels of instruction and during all stages of the normal process of growing up.

Paralytic man is lowered through roof so Jesus can heal him in this scene from "Challenge of Faith," a color motion picture to be shown Sunday, Feb. 5, by the Lake Villa Community Methodist Church.

'Challenge of Faith' Latest Episode In 12 - Film Series in Life of Christ

LAKE VILLA — The challenge Christ presented as He begins His teaching ministry is portrayed in "Challenge of Faith," a full-color motion picture scheduled for 3:30 and 7:30 p.m. showing on Sunday, Feb. 5, at Lake Villa Community Methodist Church.

The Rev. Wayne King, pastor of Calvary Presbyterian Church in Round Lake, will elaborate on the cultural background of the times in connection with the film.

Included in the complete film depiction of the life of Christ now being shown by the Church, "Challenge of Faith" shows John the Bap-

tist as he is secretly visited in prison by friends; Jesus, with his first four disciples, renewing friendships with old fishing companions, and Jesus inviting Matthew to become a disciple. It closes with the dramatic healing of a paralytic, let down through the roof of Peter's house.

This is one of the first complete showings of the newly completed Living Christ series in the country, according to the Rev. Gerald Robinson, pastor.

The episode in the life of Christ to be shown Sunday is the fifth of 12 scheduled by the church. All showings are open to the public.

Your State Senator Reports

By State Sen. Robert McClory Republican — Lake Bluff, Ill.

Early action of the Illinois General Assembly will effect further improvements in the new Justice of the Peace system. The big results were achieved at the last Session of the Illinois General Assembly when the outmoded and notorious fee system was abolished in favor of salaried justices to be elected in justice districts established by the county boards.

The new system, hailed by many students and observers of local court systems, must be encouraged to get started on the right foot after the first justices are elected on April 4.

This accounts for the emergency legislation which has been developed by representatives of the Illinois State Bar Association, the American Bar Association Committee on Traffic Courts, the Chicago Motor Club, and others working through the Judicial Advisory Council on which this writer serves as a member.

Thirteen bills with "emergency" clauses are pending action in the Illinois State Senate with the expectation that these measures will be enacted into law by the time elections are held. These emergency measures should provide guarantees that these new local judges will be able to serve the public need and that these new local judges will perform approximately equal work and will be compensated equally throughout the county.

In order to accomplish state-wide uniformity, the Supreme Court of Illinois, acting through the Court Administrator, will review and supervise assignments of justices from one district to another, and will receive copies of reports filed by them with the various county boards.

Minimum courtroom standards will also be established by the Court Administrator to the end that hold-

Attends Management Engineering Course

Colie Golden, RR 1, Antioch, is attending an intensive Methods Engineering Program at Great Lakes. The program, started Jan. 16, instructs selected personnel how to use management engineering techniques to develop effective work methods.

After seven weeks of concentrated classroom instruction, students receive approximately six months of on-the-job training under guidance of instructors from the Bureau of Supplies and Accounts, Washington, D. C.

College Band At Salem

SALEM, Wis. — The 78-piece Lawrence College orchestra will present a concert the evening of Feb. 20 at Salem Central High School.

A Dime Can Mean a Lot

About this time each year when we note the little boxes on store counters inviting all to drop in a penny, a nickel, a dime or whatever you wish to help the March of Dimes, we're again reminded of an incident a few years back when the worth of those dimes really paid off.

The individual concerned was 41 at the time, middle-aged (depending on how you look at it) ... slightly to seed, but at one time a passable pitcher worthy of a second look from the St. Louis Cardinals and now-defunct Browns, four kids, an average bungalow, the usual frustrations over bills the first of each month ... an average guy ... it happened and fast ... one day a feverish cold, the next day an oxygen tent ... and polio.

Immediately following diagnosis, the Polio Foundation took over, cared for the victim in one of its hospitals, nursed him through the danger period, and began the long process of rehabilitation.

Treatment and therapy continued throughout the victim's six-eight months of hospitalization; out-patient care continued another year; therapy continues today.

The patient is virtually whole again. He'll never run the 80, but he gets around well enough on Kenny sticks to whack the kids around the rear when they get out of line.

The cost ... borne entirely by the Foundation with your dimes.

When the patient is able, the moral obligation to pay all or part is there. But to an average Joe, with growing kids and a mortgage, there just isn't much left over.

This is the case of the many helping the unfortunate few over a tough spot.

We find those little boxes hard to resist. Keep those dimes dropping. They're needed and badly.

Letters to The Editor

SIR:—This is my contribution to The People's Voice in your newspaper.

ATTENTION: STUDENT COUNCIL SPONSOR OF ANTIOCH HIGH

I do not think that we should withhold from the parents and students any longer the fact that there are five or more students on the Student Council with below the minimum grade average of a C. According to the Student Council Constitution these members are to be relieved of their positions on the Council and rightly so. Why should these people be allowed to sit back and reap the harvest that the others have reaped by hard work? I am sure that you as the sponsor of the Student Council can find more capable students and that these new members will possess all the qualities that a Student Council member should foster: (1) Leadership, (2) Scholastic Achievement, (3) Capability.

Name withheld on Request

SIR:—This is a letter in protest against the high-handed way in which (some) insurance companies deal with customers. Our case is a classical example.

We took out a policy from a (name withheld) agent on our cars. We gave him all the information required including the "terrible" fact that we have two male drivers under the age 25. Our premiums plus initiation fees were accepted.

After a period of nine months our policy was cancelled with no reason given. The fact that we had a teen age driver was casually mentioned. No accidents had occurred in this time or any changes in our status.

To top it all, (the company) returned only \$66.28 out of the \$166.36 premiums we paid for six months' coverage, although they cancelled after only three months. Not one cent of the initiation fees was returned either.

This seems to be quite a racket. Just look at (our) financial loss by

W-2 Tax Forms Must Accompany '60 Return

Tuesday, January 31, was the deadline for employers in this district to furnish their employees with statements of income and social security taxes withheld from their wages during 1960.

This reminder was issued today for the benefit of those employers who have not already done so, said Harold R. All, district director of Internal Revenue.

Most employers, he said, already have given their employees copies of the W-2 form, one of which must be attached to the Federal income tax return filed by the employee reporting income received during 1960.

Prompt furnishing of W-2's by employers is a big factor in timely and accurate filing of income tax returns by the nation's taxpayers.

Crazy Mixed-Up Sheep

By Pearl Kapell

What's rarer than snow in July? Lambs in December, according to Mrs. Ed Krupo of the Happy Acres Ranch on Route 173. The surprise twin lambs were born in December, and Mrs. Krupo says she's sure they must be the first lambs born in Lake County this season.

Conventional lambing time is February or March. The twins are thriving and will be practically grown up by the time their contemporaries arrive.

their sudden decision to cancel without any stated reason. It amounts to \$42.90 plus all the trouble and inconvenience.

For the life of me I can't see why we should stand this loss, but am at a loss for a solution. The company absolutely refuses to do anything.

Sincerely,
G. Marchini.

Courthouse Notebook —

BY LOU DURKIN

Robert Jasper, the county supervisor of assessments, is starting to wear that harried, haunted look again as the property owners start scanning the assessment roles published in the newspapers in the county.

An intense, dedicated public servant Jasper has probably taken more direct and indirect abuse than any public official in Lake County in recent years because he has tried to do the job for which he was hired.

Basically, Jasper's task is to see that all real and personal property is assessed equally regardless of which township the property is located in or which city.

Since property valuation is the basis for determining the fair amount of tax each property owner should pay it is essential that all valuations be based on a uniform standard.

This the office of supervisor of assessments attempts to do by making adjustments where inequalities exist.

Jasper, now working on his third valuation review, feels that most of the major adjustments have been made and that there will be less objection to this year's assessments than there has been in the past.

"Like most other homeowners I am dismayed and unhappy about the taxes I have to pay, but I don't feel too badly if I know that everyone is carrying his fair share of the load," Jasper said recently.

"I'm sure that most property owners will accept their tax paying responsibility more readily if they know that there is real equality in the property valuations throughout the county," Jasper continued.

We are inclined to agree with Mr. Jasper that high taxes are bad, but inequality in spreading the load is even worse.

Pointing out the growing role women are playing in politics is the decision of Mrs. Helen Burke, of Antioch, to seek election as an assistant supervisor from Antioch Township.

Mrs. Burke was one of the pioneer women to become a Republican precinct committeeman in Lake County and her work for the party was recognized when she was elected Representative Committeeman last spring.

If elected Mrs. Burke would follow in the footsteps of Mrs. Minnie C. Balke, who ably represented Deerfield Township on the county board for many years and Mrs. Phyllis Froelich, who recently resigned as Elia Township Supervisor.

Many women get into politics for social reasons and after getting a taste of it find it a more fascinating hobby than bridge clubs and a more satisfying means of community service than working on fund drives or the PTA.

A real storm seems to be blowing up in all sections of the county over the caucus-selected candidates for justice of the peace and constable under the new justice of the peace legislation which makes the JP's and constables county officers elected in judicial districts.

Several of the districts have slates of independent candidates running against the Republican candidates who were selected in caucuses.

Stephen Aschenbrenner In Knox College Chior

GALESBURG, Ill.—One of Illinois' oldest musical organizations, the Knox College Choir, whose traditions date back ninety years, will make a concert tour Jan. 31 to Feb. 7, during the first semester recess after examinations.

The 75-Choir from "Old Siwash" has engagements in Sandwich, Ill.; Notre Dame, Ind.; Grosse Pointe Farms, Mich.; Birmingham, Mich.; Indianapolis, Ind.; Pleasant Hill, Ind.; and Decatur, Ill. Their annual concert in Galesburg will be Feb.

12. Included in the Knox College Choir membership is Stephen Aschenbrenner, of R. R. 2, Antioch.

It's the amount of alcohol in your bloodstream that affects your driving, according to the Institute for Safer Living of the American Mutual Liability Insurance Co. Repeated tests show that any amount above .05 percent alcohol in the blood makes a driver hazardous to himself and others. This allows the average driver not more than one or two drinks, and he is far safer if he makes these drinks coffee.

Local Red Cross Workers Hear Data On Soviet Agency; Plan '61 Program

Red Cross workers, including number from Lake County, braved the weather to attend a statewide gathering hosted by the Peoria Chapter of the Red Cross at the Pere Marquette Hotel.

Delegates heard talks by Frederic S. Laise, manager of the Midwest Area American Red Cross; Robert Blair Ridder, board of governors; and Dr. Edward O. Moe of Michigan State University.

Ridder, talking on "The Red Cross and the Soviet Union," told of his experiences when he accompanied Gen. Alfred Gruenther on a visit to Russia and Poland last year.

Ridder emphasized the friendliness with which they were received, despite the fact that the famed U-2 spy plane incident had just occurred.

At the time they were being winned an dinned, Ridder recalled, a radio loudspeaker was grinding out Soviet propaganda with Premier Khrushchev as the featured performer.

Ridder said the Russian Red Cross has about 365,000 primary units, and a unit is found in practically every industry. The Soviet agency has an enrollment of about 37 million members, compared to about 12 million in the United States.

Differences between the two agencies are great, Ridder noted, including the fact that the Soviet agency doesn't give aid to the armed forces. Greatest emphasis is placed on the medical aspect of service, after assuming responsibility for public health and hygiene, even having authority to inspect private homes where cleanup measures are needed.

Attending the Peoria session from Lake County were Mrs. William Schwartz, Mrs. Charles McVea, Miss Charlie Vosburg, Mrs. Louis Diamond, Mrs. Lauraine Blair, Mrs. Jerome Morrison, M. Moore, Mrs. Harry Porett, and two Junior Red

Cross members, Bill Jenkins and Walter Hollander, both of Waukegan East Campus High School.

In other Red Cross news on the local scene, Antioch Township High School has joined the Lake County Chapter's new first aid program, which will schedule night classes in first aid in many Lake County high schools starting next semester.

Dates for the classes will be announced soon, according to Anthony Schmieg, Highland Park chief of police and chairman of the chapter's first aid committee.

Classes will be open to the public. Adults in the area, pupils and teachers from the school—anyone interested in learning first aid—are invited to attend.

During the last year, four first aid classes were held in Antioch and one was held in Lake Villa. Volunteer first aid instructors include William Banett, Daniel Dugenske and Warren Polley of Antioch and Wilard Schneider of Lake Villa.

'Strengthen America' is the Theme Of Boy Scout Week February 7 - 13

A wide variety of events and activities are planned throughout the area in celebration of Boy Scout Week, Feb. 7-13, it was announced by A. M. Roufa, chairman of the Activities Committee, North Shore Area Council, Boy Scouts of America.

Under the national theme for the 51st anniversary of the founding of the Boy Scouts of America, "Strengthen America... Character Counts", the North Shore Area Council's 12,500 Cub Scouts, Boy Scouts, Explorers, and volunteer leaders will be involved in activities with public officials and with the community institutions that sponsor Scouting units.

Feb. 8, actual anniversary date of the founding of the Boy Scouts of America in 1910, will be highlighted by many unit parties and open house activities.

Traditional Boy Scout Sabbath and Boy Scout Sunday services will be held Feb. 10, 11, and 12 at many churches and synagogues with Scouts taking part, and sermons built around Boy Scout ideals and purposes.

Many organizations will be devoting their meetings and luncheons to special Boy Scout programs.

An estimated 500 local boy members will be recognized for having earned the Fiftieth Anniversary Achievement Award, a special permanent patch created especially for Scouting's Golden Jubilee Year in 1960. To earn this award, each boy earned personal achievement in rank, recruited a new member, kept himself fit, rendered service to others, and took part in last fall's Get-Out-the-Vote campaign.

There are affiliated with the North Shore Area Council 5,200 Cub Scouts, eight, nine, and ten years of age; 3,600 Boy Scouts, 11 and older; 700 Explorers, 14 years old in the ninth grade or above, or 15 through 17; 3,100 men and women active as volunteer leaders. There are seven professional leaders in the North Shore Area Council, a ratio of one to every 443 volunteer leaders.

Over 100,000 Scouts and leaders have been served by the North Shore Area Council since it was established in 1928. The Council now has 108 Cub Packs, 97 Boy Scout troops and 45 Explorer units.

The North Shore Area Council is chartered by the National Council to administer the Scouting programs in Northern Cook County and in Lake County, with the exception of the Waukegan area, North Chicago, Zion and Lake Zurich. It has an excellent board of laymen that directs the various phases of the Council program. Lawrence W. Goulger of Winnetka is president of the North Shore Area Council; Joseph Eisendrath, Jr., of Highland Park is Scout Commissioner; and

Two Among Nominees To U. S. Service Academies

David F. Shadel, 414 Kimball Ave., Waukegan, is among 10 alternates for nomination of candidates for possible admission to the United States Air Force Academy, according to Representative Marguerite Stitt Church (R), 13th District, Illinois.

Other alternates from this area include Wyatt Harold Williams, Jr., 4072 Grand Ave., Gurnee, US Air Force Academy; and Dale Michael Shenk, 123 North Lake Ave., Ingleside, United States Merchant Marine Academy.

The candidates are for classes beginning next fall.

Probationary Permit

A probationary driving permit has been issued to Robert J. Lutterman, 1020 S. Main St., according to announcement this week from the Drivers License Division, office of Charles F. Carpentier, Secretary of State.

The license of Harriet M. Ernschaw, Ingleside, has been suspended because of three offenses, the division announced.

Outlines Steps To Speed First Social S. Pay

"If you are retiring in the near future, you can speed the delivery of your first Social Security check by bringing all necessary evidence with you on your first visit to the district office," stated Bernard Barnett, District Manager of the Waukegan Social Security Office.

Almost everyone who applies for monthly benefits must prove his age. A birth certificate is the best evidence, but if not available, there are many other types of evidence which will prove age, such as a baptismal certificate, an insurance policy, a family Bible, etc.

Evidence of recent earnings may also be needed to establish your monthly payment. The 1960 withholding tax statement (Form W-2) is the best evidence for an employee. The self-employed should bring copies of the two previous years' tax return and evidence to show that tax returns were filed with Internal Revenue Service. A cancelled check, money order stub, or bank receipt is sufficient evidence to show that the return was filed.

If married, and your wife is also applying for monthly benefits, evidence of her age will also be required.

Barnett stated if you have any doubt about what evidence will be

Ravenglen Farm Cows Cited as Producers

The Holstein-Friesian Association of America has announced the completion of outstanding official production records by the following registered Holstein cows in this area.

Ravenglen Domino Triune 4318888 produced 15,006 pounds of milk and 600 pounds butterfat in 362 days on twice daily milking as a 4-year-old. Ravenglen Udell Triune 3518888: 15,033 pounds of milk and 617 pounds butterfat in 365 days on twice daily milking as an 8-year-old. Viljon Mechthilde Segis 3293741: 19,255 pounds milk and 830 pounds butterfat in 320 days on twice daily milking as a 9-year-old. All are owned by Ravenglen Farm, Antioch, Illinois.

needed to process the claim, call the Social Security Office before you retire and the representative will be glad to explain just what evidence you might need. If you have the necessary proofs when you apply for benefits, it will help speed up your first check.

New District Nurse To Serve In Area

The addition of a new member to the public health nursing staff and the awarding of a grant to one of the department's staff nurses for additional academic work, was announced today by Miss Jean Huff, R.N., Supervising Nurse of the Lake County Health Department.

The new staff nurse joining the staff is Mrs. Ronald Wisse, R.N. of Waukegan. Mrs. Wisse is a recent graduate of Ohio State University where she received her B.S. Degree in Nursing. Mrs. Wisse will work in the district which includes the Townships of Grant, Avon, Lake Villa, Warren and part of Waukegan.

Mrs. Wesley Berry, R.N. staff nurse of the Lake County Health Department has been awarded a grant by the State of Illinois Department of Public Health to continue her work toward a Baccalaureate Degree in nursing. Mrs. Berry will be on academic leave from the health department to attend Loyola University in Chicago.

New Social Security Ruling Now In Effect

An increase in the Federal Unemployment Tax from 3% to 3.1% on wages paid went into effect Jan. 1, 1961, Harold R. All, district director, Internal Revenue, said today.

He explained that this particular tax (FUTA) is paid entirely by the employer and reported to IRS on Form 940, Employer's Annual Federal Unemployment Tax Return. Employers of 4 or more individuals on at least one day of each of 20 weeks are those liable for this tax.

All said the social security tax remains the same, 3% withheld from the employee's wages, and 3% paid by the employer, or a total of 6%. These rates apply to the first \$4,800 of wages.

He said these taxes are reported quarterly on Form 941.

He also said the social security rate for the self-employed remains at 4½%.

Homemaking Award to Senior

Sharon Mickina has been named the 1961 Betty Crocker Homemaker of Tomorrow at Antioch Township High School. Miss Mickina received the highest score in a written examination on homemaking knowledge and attitudes taken by graduating seniors of the school and is now a candidate for the state Homemaker of Tomorrow award to be announced in March.

The state ranking homemaker will receive a \$1,500 scholarship under the \$110,000 homemaker education program sponsored by General Mills. Second ranking participant will receive a \$500 scholarship. In addition, state ranking girls receive an educational tour to New York City, Colonial Williamsburg, Va., and Washington, D. C. and are in contention for the All-American Homemaker of Tomorrow, whose scholarship is increased to \$5,000.

Area 4-H Activity At All-Time High

Lake County youth, both in towns and cities and on farms, are enrolling in the 15 different agricultural 4-H clubs throughout the county, according to Farm Adviser Ray T. Nicholas. A high early enrollment in these clubs indicates that the membership this year will exceed the all-time high enrollment of 1960.

The Grayslake Club led by Mrs. Cecil Anderson and Walter Cording leads in the number enrolled with 34 members. Second place in enrollment is the Flynn Valley Club of near Barrington with 31 members.

Catholic Charities Help 9,222 Youths In Lake and Cook

The Catholic Charities of the Archdiocese of Chicago spent a record \$10,027,749 in 1960 on services to 589,346 men, women and children in Cook and Lake counties.

The figures, breaking the \$10 million mark for the first time in the organization's 43-year history were disclosed at the annual dinner meeting of the Catholic Corp. Monday night in Chicago.

Largest single expense on the Charities budget was full-time care for 9,222 children in foster homes and institutions which cost \$4,812,138, or 48 per cent of the total 1960 expenditure.

DEATH NOTICES

EMIL B. HAGEMBERG

Services for Emil B. Hagemberg, 82, of Grass Lake, were held at the Strang Funeral Home, Antioch, at 2 p. m. Saturday, with the Rev. W. C. Vetter of the Evangelical Free Church of Libertyville officiating. Burial was in Oak Hill Cemetery, Chicago.

Death occurred at 12:10 p. m., Thursday, Jan. 26, in Victory Memorial Hospital, following a short illness.

Born April 26, 1878, at Soderham, Sweden, the deceased came to America to make his home in Chicago in August of 1923. He retired from the Crane Company of Chicago as a molder in 1943 and that year moved to Grass Lake.

Mr. Hagemberg was a member of Saltholm Lodge No. 13 of Stockholm, Sweden.

His wife, Anna, preceded him in death on Oct. 14, 1957.

Surviving are three daughters, Mrs. Bertha (Emil) Carlson, Antioch, Mrs. Lillian (Gust) Larson, Bellwood, and Mrs. Torborg "Trudy" Nelson, Antioch; and one grandson, Cadet Harry E. Nelson, attending the Marmion Military Academy, Aurora.

WILLIAM C. STEINEL

Services were held at Strang's Funeral Home, Antioch, on Tuesday afternoon for William C. Steinel, 61, of Drom Court, Antioch. Burial was in Liberty Cemetery. The deceased passed away Sunday, Jan. 29, in Victory Memorial Hospital, Waukegan.

Born Dec. 24, 1899 in Schonweld, Germany, he came to America in February of 1927, settling in Chicago. He lived there until moving to Antioch in 1941.

He was married to Margaret Weidhaas on July 27, 1929 in Chicago. He was a china decorator at Pickard, Inc. until seven years ago.

Surviving are his widow, Margaret H., one daughter, Mrs. Lorraine (Richard) Huml and a grandson, Jeffrey Huml, all of Antioch, and one brother and one sister in Germany.

Your Peace of Mind Is Our Business

Our goal is to see that you have the right kind of insurance, knowledgeably planned... insurance that always keeps up-to-date as your needs change over the years... plus our around-the-clock, "in your corner" help should misfortune strike. Just as Hartford agents have been doing for 150 years.

Rainbow Officers To Be Installed In Public Rites

The Antioch Assembly, Order of Rainbow for Girls, will hold a public installation of new officers Saturday, Feb. 4, 7:30 p.m. at Wesley Hall, Antioch Methodist Church.

Those to be installed are: Jill Anderson, Worthy Advisor; Sharon Langbein, Worthy Associate Advisor; Jane Lassen, Charity; Patricia Brown, Hope; and Harriett Wells, Faith. Other officers who will assist Jill in her term are: Lorraine Gibbons, Recorder; Joan Wagner, Treasurer; Lynn Ott, Drill leader; Dee Stillson, Chaplain; Roselle Barnstable, Love; K. Jennrich, Religion; S. Bloom, Nature; R. Arndt, Immortality; Nancy Kufalk, Fidelity; Nancy Erickson, Patriotism; Gayle Sobe, Service; Juanita Gillum, Confidential Observer; Carol Wiegert, Outer Observer; Carol Fraser, Musician; and Sue Polley, Choir Director.

Mrs. Wilma Gibbs, will be installed as Mother Advisor for the coming year and the Advisory Board for 1961 will also be installed.

Installing officers for the evening will be Virginia Carter, Past Worthy Advisor of Libertyville Assembly; Sue Ryan, Grand Drill Leader, Radiant Assembly; Clara Lassen, Past Worthy Advisor, Antioch Assembly, and Donna Craft, Grand Recorder, as Installing Recorder.

Mrs. VanKampen and her daughter Janet will be musician and soloist for the evening. They are from Jewel Assembly in Chicago.

Rosary Society Schedules Two Speakers Monday

St. Peter's Altar and Rosary Society will have two distinguished speakers at its meeting Monday evening. Father Lawrence Hanley will speak on Lent and Mrs. A. J. Scully will read some of her own compositions.

The meeting will follow Rosary and Benediction in Church at 7:45 p.m. and will be held in the school hall.

Final plans for the Society's part in the Pre-Lenten Dance at Lyons-Ryan Ford Salesroom, Feb. 11 will be made at this meeting. Mrs. Donald Gaa is chairlady and will request assistance from members.

All members in attendance having February birthdays will be honored, after which refreshments will be served.

On Feb. 8th the Archdiocesan Council of Catholic Women North Lake County District will hold its annual meeting at Immaculate Conception Church in Waukegan at 1:00 p.m. All yearly reports of the Standing Committees of each church in the district will be read.

'Sweet Sixteen'

Miss Eileen Huebner, daughter of Mr. and Mrs. William Huebner, was hostess to 16 guests at "Sweet Sixteen" party at the B & M Pizzeria, Route 173, last Sunday.

The boys and girls spent an afternoon of dancing and were treated to pizza by Eileen's parents, the proprietors of said restaurant.

Engagement Told

Mr. and Mrs. Nick Rodis of Paris, announce the engagement of their daughter, Irene, to Jerry W. Kosmetatos of Racine. Mr. Kosmetatos is the son of Mr. and Mrs. William Kosmetatos, 1240 Center St., Racine.

No wedding date has been set.

Miss Rodis received her bachelor of science degree in physical education from Wisconsin State College, LaCrosse, and is a member of the Washington Park High School faculty, Racine.

Her fiancé attended the University of Wisconsin Extension Center and Milwaukee Business Institute. He is with the National Cash Register Co., Racine.

Catholic Women To Hold District Meeting Feb. 8

Women from the Antioch and Lake Villa areas will be among members attending the winter district meeting of the North Lake County District of the Archdiocesan Council of Catholic Women on Feb. 8 at 1:30 p.m. in Immaculate Conception parish, Waukegan.

Mrs. Edward Warchol, Lake Villa, district vice president, will co-direct registration for the session.

Serving on the nominating committee for the election of district officers slated at the meeting is Mrs. Charles Solar of 120 First St., Antioch.

Miss Irene Doyle of Waukegan, district president, will preside at the meeting, which is one of a series of 23 being conducted by the council throughout Feb. 9 in Lake and Cook Counties.

The Rev. Francis J. Shea, host pastor, will welcome the delegates, and the Rev. E. W. Leibrich, district priest advisor and pastor of St. Joseph parish, Round Lake, will introduce the visiting clergy.

Christian Service Women to Meet

A special guest day program was scheduled for the monthly business meeting of the Women's Society of Christian Service of the Antioch Methodist Church today (Wednesday), at 1 p.m.

Members of the Gertrude Circle, with Mrs. Ernest Glenn and Mrs. Robert Liess as chairmen, were hostesses.

Mrs. George Good gave the devotion.

Urbana Visitors

Mr. and Mrs. C. W. Wikoff and family, of Urbana, spent the weekend with Mrs. Wikoff's parents, Mr. and Mrs. Joseph Rhymer of Loon Lake.

Mr. Rhymer is at home, recovering from surgery Jan. 9 at Victory Memorial Hospital.

Directory Completed

The 1961 Directory of the Lake Shangri-La Woodlands Association is now ready for distribution, as announced by Mrs. Ann Dutton, who was in charge of procuring advertising for the 60-page booklet.

Directories may be procured at the Association headquarters or from Mrs. Dutton.

Mr. and Mrs. Dennis Gray

Newly Weds at Home at Bluff Lake After 2-Week Honeymoon in Florida

Mr. and Mrs. Dennis W. Gray are at home in Bluff Lake following a two-week honeymoon in Florida. Mrs. Gray is the former Betty Cave of Antioch. The groom is also of Antioch.

The couple were married Jan. 14, in late-afternoon ceremonies at the Antioch Methodist Church by the Rev. Wallace Anderson.

For the double-ring ceremony, the bride wore a gown of lace with tiers of pleated tulle across the front of the skirt with chapel-length train. The bodice had a sabrina neckline, and the long sleeves of the gown ended in a point.

The bride's fingertip veil was attached to a pearl tiara and she carried a bouquet of Orchids and Stephanotis.

Matron of honor was Mrs. Sharon Bunkelman, in a blue lace jacket dress, carrying a colonial bouquet. The bride was attended by Miss Pamela Drucker and Miss Terry Gallagher, dressed in coral lace jacket dresses and carrying matching bouquets. She was given in marriage by her father, David Cave, Chicago.

Best man was James Bletsch. LeRoy Gallagher and George Shannon served as ushers. Soloist was Stuart Good.

Literary Profile Skit on Woman's Club Schedule

"Literary Profiles," a skit in full costume, will be presented by the Literature Group of the Antioch Woman's Club at the next meeting of that organization, Monday, Feb. 6, starting at 1:30 p.m. The board meeting, originally scheduled for 12:30 p.m., has been postponed.

Cast of the skit will include: Mrs. Louis Biel, Mrs. Robert Kresse, Mrs. Clarence Olson, Mrs. Ray Bruhn, Mrs. Morris Pickus, Mrs. Robert Lubkeman, Mrs. Albert Wiegert, Mrs. O. W. Turner, Mrs. Edmund Vos, Mrs. Edward Jacobs, Mrs. Irving Elms, Mrs. W. C. Petty, Mrs. Anthony Scully, Mrs. James McMillen and Mrs. Norman Jedele.

Birth Announcements

By Pearl Kapell
William Edward Ring, newest arrival in the Blain Ring family, was in such a hurry to join his brothers and sisters that he arrived a month ahead of time. William was born Jan. 22 at St. Therese hospital, and weighed 6 pounds four ounces. William is No. 14 in the Ring family, and has seven brothers and six sisters. The Ring's recently moved from Lake Avenue in Channel Lake to Tiffany Road.

Mr. and Mrs. Phillip Rezin, Sr., Hawthorne Dr. and Pinecrest Lane, are the parents of a son born Jan. 22 in Condell Hospital in Libertyville. The child, Phillip Jeffrey, weighed 7 pounds, 12 ounces at birth.

Paternal grandparents are Mr. and Mrs. George Rezin, Fort Hill Road, Round Lake. Maternal grandmother is Mrs. Catherine Irvin of Briarhill Road, Round Lake Park. The Rezins have another son, Keith Michael, who was 1 year old on Tuesday.

Miss Mabel Brogan Retires from Firm

Miss Mabel Brogan, prominent businesswoman and long a resident of Antioch, has retired from the firm of Barnstable & Brogan, department store at 945 N. Main St. Miss Brogan had been in business with Russell Barnstable for the past 14 years. The firm was first located at 932 Main St., and moved four years ago to its present location. Russell Barnstable will continue the business at its present location. The retired businesswoman is virtually a life-long resident of the village and has lived at 1034 S. Main St. since she was 2½ years old.

Nurse Selected

Joan Burton, Antioch senior student nurse at St. Francis Hospital School of Nursing, Evanston, has been chosen by the school to attend a maternal and child health care convention at Springfield, Feb. 6-9. Miss Burton is a graduate of Antioch Township High School.

All Handicrafters Invited to Enter County Art Show

The Lake County Town and Country Art Show is not only for the brush and palette artists, but for those who delve into the various handicrafts. Farm and Home Advertisers, Ray T. Nicholas and Helen Volk, state that original ceramic pieces, metal enameling, wood carvings, weaving, and other handicraft items will be featured in the Lake County Show.

The show will be held in the Farm Bureau Auditorium on the Lake County Fair Grounds Thursday, March 9th from 1:00 p.m. to 10:00 p.m. The show is open to the public without charge and everyone is invited to attend.

Homemakers Meet; Committee Named

Some 20 members and several guests attended the January meeting of the Antioch Homemakers last Wednesday at the home of Mrs. Frank X. Hennig.

Chief business was selection of a nomination committee composed of Mrs. J. Friedel, Mrs. H. Dowell and Mrs. F. Bremer.

A dessert luncheon was served with Mrs. Wm. Frey and Mrs. J. H. Worswick assisting the hostess. Entertainment followed with members and guests playing cards. The next meeting of the Homemakers will be held Feb. 22 at the home of Mrs. Henry Schmidt, Woodbine Ave., Channel Lake. Co-hostesses will be Mrs. J. H. Worswick and Mrs. H. Dowell.

Hospital Patients

Hospital patients reported at Condell Memorial Hospital, Libertyville, this week include Paul Yokes and Mrs. Isabelle Hribar, Antioch, and Mrs. Marianne Verschuren, Nancy Rollin and Walter Gorka of Lake Villa.

PTA Council To Observe Founder's Day

Reservations are now being taken for the 12th annual Founder's Day Dinner of the Lake County Council of Parent-Teacher Associations, Thursday, Feb. 9, at 6:10 p.m., Waukegan Township High School, West Campus, at 2325 Brookside Ave., Waukegan, will be the host school.

Although the dinner traditionally pays tribute to the past presidents of the Council, students in the county high schools who will be future teachers are also honored, and the evening's program is directed to their interest. Each local P.T.A. is invited to bring at least one prospective teacher from the high school in their districts. The Future Teachers Clubs of the county high schools will also be represented.

The Program Arrangements chairman, Mr. O. L. Detwiler, principal of Greenwood School, Waukegan, has announced a panel to discuss the topic "Getting a Good Start in the Teaching Profession." On the program will be:

Dr. Merle M. Kauffman, superintendent of Waukegan Township High School, "What qualities will the Superintendent look for in the new teacher?"

W. Leroy Smith, principal of Forestal School, North Chicago, "What qualities will the principal hope to find in the new teacher?"

Mrs. V. E. Lennarson, teacher at Greenwood School, Waukegan, "What can the new teacher learn from other teachers? How can he best get along with co-workers?"

Mrs. E. V. Lake, parent, at Glen Flora School, Waukegan, "What might parents desire in the new teacher?"

Orlin D. Trapp, principal of Waukegan Township High School, will welcome members of the Council and guests, and Mrs. Lester Keiper, Character and Spiritual Education Chairman for the Council, will offer the P.T.A. prayer.

Mrs. Kenneth E. Welton, president of the Council, has announced that special guests will include Mrs. Frances Nelson Fago, president of the Illinois Congress of Parents and Teachers; W. C. Petty, County Superintendent of Schools, who also is second vice president of the Council; and Mrs. Ivan C. Sengenberger, Director of District 26, ICPT.

Mrs. John Boegen, General Arrangements Chairman for the dinner, requests that all reservations for the dinner be received by Feb. 3, and that checks accompany reservations. Reservations are to be sent to Mrs. Boegen, 1512 Hickory St., Waukegan.

Mrs. Welton has been assisted this year by Mrs. Willard Douglas, Round Lake, as first vice president, Mrs. Anders H. Nordling, Lake Villa, as secretary, and Mr. Fred Nicola, principal of Glen Flora School, as treasurer. School administrators on the Council Staff include: Kenneth Murphy, superintendent of Beach Park Schools, and Wade L. Eberly, principal of Grant Community High School.

Rescue Squad Opens First-Aid Class

Adult standard classes in first-aid will be offered to all interested starting Tuesday, Feb. 14 at the Antioch Rescue Squad Building.

First-aid sessions will start at 7:30 p.m. For further details, call Antioch 566.

Antioch To Host State Legion Meet

Antioch Legionnaires will be host to state-wide meeting of the Illinois Historian Association June 25, John L. Horan, vice president of the Association, announced today.

Horan, who attended a winter planning meeting of the Association Sunday at Woodlawn American Legion Post, Chicago, announced that delegates and members from Posts throughout the state are expected to attend the summer meeting here.

Ladies - It's Color and More Color In the Latest of Spring Fashions

Color will be more outstanding than silhouettes in women's fashions this spring. However, the color picture will be a strong carryover from fall and winter.

So reports Esther Siemen, University of Illinois extension clothing specialist.

She says that lots of the pinks, emerald green, yellow and turquoise will be featured. But black, several shades of white and off-white and the traditional navy will also be prominent. The 1961 version of navy is bright and lively rather than very dark.

Another feature of spring fashions is the absence of extreme styles.

Dresses, coats and suits are marked by the absence of collars. Collars have been replaced by stand-up bands, ring necklines or cowl, leaving plenty of room for use of stoles and scarves.

Buttons will also be more noticeable. Jumbo ones resembling eggs, billiard balls, mammoth olives and huge flat cookies will be used. And,

State CC Dinner Tonight

Earl M. Hughes, Hughes Farms, Woodstock, will be featured speaker at an Illinois State Chamber of Commerce dinner meeting tonight (Feb. 2) in the Swedish Glee Club, Waukegan. Hughes is a director of the statewide business organization.

Presiding at the affair, to be held at 6:30 p.m., will be Gen. Joseph A. Teece, vice president and director of purchases, Fansteel Metallurgical Corporation, North Chicago, who also is a director of the Chamber.

Serving as co-sponsors are: Warren E. Davis, Jr., president, The United Educators, Inc., Lake Bluff; James Hotham, vice president, Zion State Bank, Zion; and E. T. Laures, manager, Illinois Bell Telephone Co., Highland Park.

Appearing on the program also will be Ormond F. Lyman, the Chamber's executive vice president, who will moderate a unique panel discussion of pertinent state and national economic and legislative issues affecting Illinois business.

Other State Chamber staff members participating in the question-and-answer phase of the program will include: Ralph G. Smith, manager, Labor Relations Department; George J. Lawrence, manager, Tax Department; Kermit E. Johnson, manager, Social Security Department; Vernon G. Wahlberg, manager, Legislative Department; Harold T. Kramer, director of organization service; and James W. Harris, legislative services editor.

Communities represented will include Antioch, Lake Villa, Deerfield, Grayslake, Highland Park, Highland, Lake Bluff, Lake Forest, Lake Zurich, Libertyville, Mundelein, North Chicago, Prairie View, Racine, Wisconsin, Wadsworth, Waukegan, Winthrop Harbor and Zion.

Seek 4-H Club Members Here

While the starting date for some of the projects is past, there are many projects that can still be started. Projects in which members still have time to enroll are automotive care and safety, concrete, crops, dairy calf, dairy heifer, dairy yearling heifer, dog care, electricity, entomology, flower gardening, forestry, vegetable and fruit gardening, home grounds improvement, advanced beef feeding, beef heifer calf, beef heifer, horse and pony, ewe lamb, swine, poultry, rabbits, soil conservation and management, tractor care, wildlife conservation, bird study, gardening indoors, handicraft, goat, photography.

Any youth in Lake County who will be 10 years of age or older by July 1 is eligible to join one of the 15 agricultural clubs. The names, addresses, and phone numbers of the leaders of the clubs in the Antioch area are as follows:

Grayslake — Mrs. Cecil Anderson, Rt. 2, 113 First Street, Antioch (Antioch 255). Millburn Hornets, Mr. and Mrs. Frank DeYoung, Rt. 2, Box 651A, Lake Villa (Antioch 466W1), and North Prairie, Paul Ray, Rt. 1, Box 159, Wadsworth, (Antioch 788J-2).

Most local clubs hold meetings every two or four weeks during the spring and summer months. Some of the clubs meet throughout the year. Meetings are held in homes, schools, churches, and other public buildings. Each club has a set of officers and a number of junior leaders assigned to assist with the different projects and activities.

Special activities in which 4-H members can participate are demonstrations, safety, judging, music, recreation, health, public speaking and camping.

Anyone interested in more information about the 4-H club program or in organizing a club in their local community should contact farm adviser, Ray T. Nicholas, P. O. Box 177, Grayslake, (Baldwin 3-8471).

PUBLIC MEETING

A public meeting on Civil Defense programs in Antioch will be held at 8:30 p.m. Sunday, Feb. 5, at the American Legion Home. John L. Horan, Civil Defense Director, announced today.

In announcing the meeting, Horan urged all citizens to attend the sessions designed to bring residents up to date on CD thinking and future plans.

Featured speaker Sunday will be Richard W. Miller, Lake County Civil Defense director.

4-H Clubs Set Busy Schedule Of Meetings

The second 4-H tractor project meeting is scheduled tonight, Feb. 2, 7:45 p.m. at the Gillingham Implement Co., located on Highway 50, just east of Interstate 1-94.

Two groups of training meetings for first and second year 4-H leaders are scheduled to be held during the next several weeks.

The purpose of these, is to give leaders a better understanding of 4-H organization, leadership duties, and responsibilities, 4-H activities, awards and events. Identical meetings are being held at two locations for the convenience of the leaders.

Meeting 1, Wednesday, Feb. 1, 7:30 p.m., Room 1, Courthouse, Kenosha. Meeting 2, Thursday, Feb. 9, 7:30 p.m., or Tuesday, Feb. 14, 7:30 p.m., Room 1, Courthouse, Kenosha. Meetings 1 and 2 will include different subjects.

The 4-H Automotive project which includes a series of eight meetings, begins Thursday evening, Feb. 2, with an organizational meeting at 8:00 p.m. at Salem Consolidated Grade School.

Project leaders are Dike Johnson, Bristol, and Frank Frantal, Kenosha.

Only Unit 1 of the project, entitled "The Car and the Highway" is being offered this year. 4-H members must be 15 years of age by July 1, 1961, to enroll.

Sophomores — Darlene Altshouse, Donald Blackman, Cindy Brenna, Sandra Cremin, Jane Edwards, Margueritta Gillum, Albert Gruidl, John Hallwas, Katherine Kanka, Douglas Lang, Carol Lasco, Paula Magnuson, Myrna Masek, Pamela Meyer, Marilyn Murrie, Beatrice Ott, Rosa Pleviak, Janet Polley, Richard Prossie.

Also Roy Riihimaki, Janet Ringa, Ken Shewan, Karen Silianoff, David

Cub Scout Pack 300 held its monthly pack meeting Jan. 24, in St. Peter's Church Hall. Inspection of uniforms was conducted by Messrs. Jesse and Bruski, Boy Scout officials.

Plans were made for the Blue and Gold Banquet to be held on Feb. 28. The invitations and table decorations will be made by the boys as part of their handicraft activities.

A puppet skit was presented by Richard Waring.

Awards presented were: Lion badges to Peter Kuzmickas, Larry Ryan, and Richard Waring, who also received gold and silver arrows; wolf badge to Ray Gudgeon, silver arrow to Jim Griffin, and a gold arrow to Don Hart.

Also dinner stripes to Edward Abderholden, Jim Griffin, Paul Lulofs, and Larry Ryan; assistant dinner stripes to Richard Carlucci, Peter Desbians, Charles Diemer, Grant Miskanis, and Tom Neyrinck.

Refreshments were served by the parents of Dens 4 & 5 under the direction of Mrs. Evelyn Sedivec.

Cubmaster John Waring made an urgent plea for additional adult leadership for the pack. More den mothers and committee members are needed.

Licence Forms Ready For Senior Anglers

Application forms are now available for resident hook and line fishing licenses for persons 65 years of age or older at 50c a year. Application forms may be obtained by writing to the Illinois Department of Conservation, Section 65, 106 State Office Building, Springfield.

In lieu of an official application form, or to save time, an applicant may send a letter containing the following information: name and address, including county, age and date of birth; height; weight; color of eyes and hair; and a statement that the applicant has resided in Illinois for six consecutive months preceding the date of the letter.

Checks and money orders should be payable to the Illinois Department of Conservation and should accompany the application form or letter. Stamps will not be accepted.

Phone Antioch 43 or 44 for best results in advertising.

Channel Lake Approves \$60,000 School Bonds

By Mrs. Pearl Kapell
CHANNEL LAKE — By a margin of 16 votes, Channel Lake residents approved a referendum authorizing \$60,000 in grade school construction here Saturday.

Of the 230 votes cast, 121 were for — 105 against, with four ballots spoiled, according to Clerk Mrs. Mary P. Chase. Fewer than half the voters cast ballots.

The addition will include a gymnasium, kitchen and washrooms. The gym, 66x45, will contain a stage and will double as an auditorium. A kitchen, storage room and wash rooms will adjoin the new building. The existing cafeteria will be converted into two classrooms, and the new gym will be fitted with steel tables which fold into the wall, and can be used for a lunchroom.

A series of special meetings have been scheduled before actual construction begins, according to President Charles L. McKinley. He has called a meeting of the Board of Education for Tuesday at which time votes will be canvassed and a date set for completion of plans.

Bonds will be sold when plans are completed and the board is ready to authorize construction.

HS Musicians.....

(continued from page 1)
tional Stage Band at Indiana U. will round out the day.

In announcing participation by the Antioch group, Joseph Rush, director, announced that the sessions are open to parents and students. Admission price for adults, \$1.00, non-participating students 50c, thru R. B. Pettibone, Oak Lawn Community High School, 94th & Southwest Highway, Oak Lawn.

Grand opening of The Antioch Country House will be held Saturday, Sunday and Monday, Bill Brandenburg, owner, announced today. Brandenburg took over the restaurant last month.

Two Join Race...

(continued from page 1)

7,500 may have an assistant supervisor. Antioch Township qualifies with a population of 8,700.

However, legislation to boost this minimum figure to 10,000, has been under consideration in Springfield, but was not expected to pass before April 4. Reports at this writing indicate state action boosting the figure to 10,000.

If true, at least one announced candidate for the assistant supervisor is expected to file for another post.

Deadline for filing for township office is Feb. 13, for village office, Feb. 27.

Ballots On ATHS...

rary and study hall.

The present school building would be remodeled to expand the home-making department, the band, the boys' locker and physical education facilities.

Approximately 1,100 students could be accommodated with the addition.

Voting Feb. 11 will be done from 12 noon to 8 p.m. at the high school, Lake Villa grade school and the B. J. Hooper school.

To be eligible voters must have resided in the state one year, the county 90 days and in the district 30 days.

DEATH NOTICES

EVAN L. CLARK HARRISON
Evan L. Harrison, of Portland, Ore., formerly of Antioch, died Jan. 28, 1961 at her home there.

Services were held Monday, Jan. 30, at Chapel of Chimes, Portland.

Mrs. Harrison was born in Antioch Township, the daughter of George and Clarissa Clark, and lived here until moving to Portland about 20 years ago.

She is survived by her twin sister, Ivah R. Aronson, of Channel Lake, and one daughter, Beulah C. Grieve, of Portland.

She was preceded in death by her husband, Andrew Harrison, seven years ago; three sisters and one brother also preceded her in death.

Flower Arranging High in Society Plans; Ladies Plan for Rummage Sale

By Mrs. Fred Bartlett, Corrs.
El. 6-5372

LAKE VILLA — The Women's Society of Christian Service will meet Tuesday, Feb. 7, at the Lake Villa Methodist Church on McKinley Ave., Lake Villa at 12 noon. Mrs. Glenn McNeil will have charge of the program. She will demonstrate flower arranging, and will show how those tired winter bouquets can be perked up a bit before spring arrives.

Devotions will be given by Mrs. James Connell; hostesses for the dessert luncheon will be Mrs. Arthur Anderson and Mrs. Linus Hellman. The luncheon will precede the program.

The Naomi Circle will meet at the Parsonage on Feb. 18 at 8 p.m. Mrs. Gerald Robinson will be hostess and Mrs. Lee Millar will have the devotions.

Carla Bartlett was absent from school last week with an ear infection. Her sister, Carrie has a cold.

Mrs. Frank Slazes, Sr. has been spending considerable time in Waukegan at the home of her daughter, Mrs. James McGrain, helping care for Patrick McGrain, grand-son of Mrs. Slazes, who is ill.

Mr. and Mrs. Carl Dalquist of Des Plaines and Mrs. Mott of Mundelein were visitors Sunday at the home of Mr. and Mrs. William Fish.

Mrs. Eleanor Drindize spent the weekend with her daughter and family, Mr. and Mrs. Lloyd Colman of Waukegan.

Mr. and Mrs. Louis Williams of Bristol, Wis. spent Sunday visiting the home of Mr. and Mrs. Henry Jarvis and family.

Mrs. Joseph Hucker and a few relatives attended the wedding of their nephew at Greenwood, Wis., Saturday.

Mrs. Margaret Dunlap underwent surgery recently at St. Therese hospital in Waukegan, and is recovering.

The next regular meeting of the American Legion Auxiliary, Lake Villa Post 1219, will be held Feb. 13, at 8 p.m. at Johnson's Fourth Lake Resort. Leona Baba will be in charge of the program on Americanism. Refreshments will be served at the close of the meeting.

The VFW Auxiliary and the American Legion Auxiliary will have charge of the booth containing such articles as hats, shoes, aprons, draperies and purses, at the rummage sale to be held at the Lake Villa grade school gym in March to help raise funds for the Country-side hospital. Some 20 organizations will participate in the rummage sale.

KC Opens Drive For New Members

An intensive membership campaign has been set as the first order of business for officers and members of St. Peter of Antioch Knights of Columbus, 3800. Membership now totals 101.

Council members will attend Prince of Peace Church this Sunday for 8 a. m. mass on quarterly communion Sunday, returning to Antioch for breakfast at Lorenz-Smart Country House. The new assistant pastor, the Rev. Lawrence F. Hanley, will speak.

John Vasta, a council member who was to be honored at the last meeting as "Knight of the Year for 1960," was unable to attend because of an ice mishap. He will receive his award, a set of cuff links and tie clasp, at the next meeting.

Members will assist the Holy Name and Altar and Rosary societies at the pre-Lenten dance to be held Saturday, Feb. 11, at the Lyons & Ryan Ford garage.

Are you a fast and accurate decider? According to the Institute for Safer Living, this ability should be acquired if you do much driving. Studies show that in city driving or heavier traffic, the average motorist must make up to 50 or more decisions each driving hour. Many of these must be made in split seconds, frequently with life or death in the balance.

News of Wilmot

By Mrs. Herman Frank

WILMOT, Wis. — Mr. and Mrs. Bob Speaker and family, Richmond; Mrs. Frank Haase, Bruce, Kay and Lenny Feldkamp, Mr. and Mrs. Leland Pacey, Sr., Leland, Jr. and Tammy, spent Thursday evening with Mr. and Mrs. Cyril Pacey in honor of Mrs. Pacey's birthday.

Grant High Students Give To Polio Drive

In a three-day drive the students of Grant High School collected \$34.76 for the benefit of the March of Dimes drive Jan. 17-19. The drive was conducted through the home room groups. William B. Shogren of the National Foundation accepted the contribution.

Lead-Poisoning Cases Reported; Health Dept. Issues Warning Here

Two pottery dinner-ware sets definitely containing lead have been discovered by the Lake County Health Department, it was announced today by Arthur G. Baker, M. D., Director.

Recently cases of lead poisoning in the state of Ohio associated directly with the use of Cerma Stone Pottery by Laurel of California were reported. This lead to a warning by the Health Department that any persons in Lake County owning this kind of pottery should contact the health department and submit a piece of the set for analysis.

The health department received four calls about this kind of pottery and found lead in two of the sets. These sets were owned by one family in Lake Bluff and one family in Waukegan; neither set was purchased locally.

The danger in such dishes containing lead lies in the fact that whenever an acid food, such as apple sauce, is served or stored in them it may dissolve lead from the dish or plate and when eaten produce lead poisoning. Lead is stored in the body and even if only small amounts are ingested symptoms can develop after a critical amount has been accumulated.

Hold County Food Handling Conference

The first of a series of food-handlers conferences was recently conducted for restaurant owners and operators of Lake County. The conferences are sponsored by the Lake County Health Department and the Adult Education Division of the Waukegan Township High School. The conference was held Jan. 23rd at the East Campus of the W.T.H.S. The conference was organized by Eugene Theios, Senior Sanitation in charge of the food sanitation program of the Lake County Health Department.

MOOSE TOPICS

Loyal Order of Moose, Antioch Lodge 525, will hold an initiation for new members Sunday, Feb. 26, beginning at 3 p.m. The member succeeding in bringing in the most initiates will be given a translator radio for his efforts. In announcing the initiation, Governor Arthur Anderson urged each Moose member to bring a new member.

Events scheduled by Moose include the weekly fish fry Friday night, 6-9 p.m. at the Antioch Moose Home, and the Saturday night dance beginning at 9:30 p.m. to music by a four-piece group.

"The Store With The Twin Doors"

SPIDERS.....

When Mark Twain was editing a newspaper in Mississippi, he received a letter from a reader who complained that he had found a spider in his paper. He wanted to know what it meant.

Twain replied

"Dear Subscriber: finding a spider in your paper was neither good luck nor bad luck. The spider was merely looking to see what merchant did not advertise, so he could go to the store, spin his web over the door and live a life of undisturbed peace."

PATTY WOOD SAYS: "Here are a few tips from Swift & Co. on the cooking of beef:
... Cook beef cuts containing the T-bone, rib bone, and wedge bone for portions taken from these cuts by dry heat. Those of roast size are cooked in an open pan in the oven with no moisture added. Pan-broiling and oven-broiling are used for the steak-sized cuts. Beef cuts containing the round bone and the blade bone are cooked by moist heat. One of the moist heat methods is braising or pot roasting and the other is stewing."

Channel Lake Scouts Win 'A' Rating In First Aid; Plan Booth at Scout Show

By Mrs. Pearl Kapell
CHANNEL LAKE — Boy Scouts from Troop 86 received an "A" rating at the First Aid meet at the Libertyville Jr. High School on Saturday, Jan. 21. Scoutmaster Ray Atwood has been emphasizing First Aid training for the boys for some time, believing it to be one of the most valuable lessons the boys can learn in Scouting.

Scoutmaster Ray Atwood, Assistant Scoutmasters Bill Young and Dick Harland, and committeemen Clarence Jarvis and Russ Roepenack drove the Scouts to Libertyville. Eleven of the boys in the troop made the trip — Kevin Jarvis, Roy Straukas, Steve Straukas, Cal Trussell, Terry Dowell, Doug Runyard, Rodney Patterson, John Patterson, Bob Willis, Terry Senesman and Mike Roepenack.

At the meeting of the Auxiliary of Troop 86 Jan. 25 plans were made for a bake sale to be held late in February. Assistant Scoutmaster Bill Young promised to bake a cake for the occasion. Don't let this deter you from patronizing the bake sale — his cake will be clearly labeled — caveat emptor.

Scoutmaster Ray Atwood announced that the theme of the booth set up by the Scouts of Troop 86 at the

Scout-o-rama will be "Bird Study." The troop is at present looking for a stuffed owl, or other suitable stuffed bird, for use in decorating the booth. Anyone have one they can spare for a few days? The Scout-o-rama will be held at the Lake County Fair Grounds Feb. 11.

There are at present 18 scouts active in Troop 86. Ten members of the Cub Scouts will become eligible to become Boy Scouts by summer. Though the troop has sufficient tents for the present troop, Mr. Atwood said the addition of 10 new members would strain the present facilities. Plans for the troop include the Lincoln Trail Hike on June 9-10-11 and two weeks' stay at Camp Ma-Ka-Ja-Wan from June 29-July 12. The Lincoln Trail is a hike of 22 miles from New Salem to Springfield, Ill.

Mr. and Mrs. Matt Wiecek welcomed the arrival of their first son born Jan. 12 at St. Therese Hospital. The Wieceks have three daughters. Daniel Matthew is the name of the new arrival.

Anyone interested in any form of conservation should attend the first meeting of a new club, in process of formation, at the Channel Lake School, at 7 p.m. Feb. 8. According to Richard Waters, the club hopes to draw members from all of Lake County. Present plans are to model the club similar to the system in Wisconsin, where each county has a Conservation Club, and representatives of the various clubs form a state-wide Conservation Congress.

Members are interested in all phases of conservation — reforestation, birdfeeding and conservation of all forms of animal life.

Mr. and Mrs. Kenneth Woolner of Zion, former residents of Channel Lake, are the parents of a baby boy born Jan. 22. William is the name of the new arrival.

The Pack meeting of Pack 86 of the Cub Scouts was held at Channel Lake School Friday night, Jan. 27. To open the meeting, all the Cubs gathered on the stage to pledge allegiance to the flag.

Inspection of uniforms was performed by Neighborhood Commissioner Jim Bruski, Emory Trussell, Donald Bjork and Lee McKinney. The Honor flag was won by Den Four (Dolores Eckert, Den Mother) for having the highest points on inspection.

A puppet show was presented by Den 2 — an underwater cowboy show. Puppets were made by Cubs and represented various underwater personalities such as Susie Starfish (heroine of the underwater western) Clem Clam, etc.

Neighborhood commissioner Jim Bruski presented the 50th Anniversary Award earned by the Pack to the Den Mothers. Awards to Cubs were: John Bjork, Bear Badge, Gold Arrow, Silver Arrow; Mike Dowell, one-year pin.

A movie, the Big Bounce, was shown. The film was provided by Illinois Bell telephone and showed the operation of the Echo satellite.

Scoutmaster John Eckert announced that the Pack's booth at Scout-O-rama will be entitled "Gifts and Decorations", and will be a display of handiwork of the Cubs. Tickets for Scout-o-rama can be purchased from any Cub or Scout.

The Cub Scout's Blue and Gold dinner will be held Sunday, Feb. 26, at Channel Lake School. This is a yearly event celebrating Cub Scout week. Roast beef will be served and serving will start at 3 p.m. Leaders urge Scout parents to place reservations as soon as possible.

Den 4 served refreshments at the close of the meeting.

Scoutmaster John Eckert says there are openings in the Cub Scouts to any boys between 8-10½. He also requests that all Cubs work especially hard this next month to earn awards to be presented at the Blue and Gold dinner. Boys who are 10½ years of age, and preparing to move up into Boy Scouts, will meet at the Eckert home on Saturday mornings from now on to work on Webelos badges and prepare themselves to enter Boy Scouts.

Members of the Antioch Homemaker's Club met at the home of Mrs. Frank Hennig on Wednesday, Jan. 25. Co-hostesses with Mrs. Hennig for the occasion were Mrs. Jane Frey and Mrs. Ruth Worswick. A

Betsy Wilson Named Homemaker Of Tomorrow

By Frances M. Murphy
SALEM, Wis. — The 1961 Betty Crocker Homemaker of Tomorrow for Salem Central High is Betsy Wilson, who received the highest score in a written examination on homemaking knowledge and attitudes taken by graduating seniors in her school. As winner in her

school, she is now a candidate for the state Homemaker of Tomorrow award which will be announced in March. Each Homemaker of Tomorrow will receive an award pin bearing the slogan "Home Is Where the Heart Is." The first ranking girl in the each state receives a \$1500 scholarship from General Mills and the second prize winner is given \$500 to be applied to a scholarship. State Homemakers of Tomorrow and their advisors receive an expense-paid educational tour to New York City and Washington, D. C. where the national winner will be declared.

All the news of Antioch and vicinity in The Antioch News.

At the March meeting members will draw names of their "secret pals". Each member draws the name of another member whom she remembers on birthdays and other occasions with cards or small gifts. Mrs. Frieda Jones has returned home from the hospital. Mrs. Dorothy Noxon had a demonstration party Jan. 25. The Have Cards — Will Travel Club met at the home of Mrs. Mike Hruby Jan. 26. Club members present were Agnes Van Patten, Julia Thies, Marge Reckers, Dorothy Noxon and Lee Swanson. Refreshments were served and the ladies played cards.

Sharon Dowell is at home convalescing from pneumonia after being hospitalized for several days.

Gas Dryers save money every step of the way!

Gas dries your clothes for about a penny a load, one fifth the cost of drying with electricity. A family of five using a gas dryer about 30 hours a month would save nearly \$35 a year. You save other ways with gas, too. Installation is easy—no costly heavy-duty wiring. The gentle warmth of the

friendly gas flame is kind to your clothes. And the instant heat of gas saves your valuable time. Call your local appliance dealer or Northern Illinois Gas Company for full information about the wonderful new gas dryers — Hamilton, Norge, Philco-Bendix, RCA-Whirlpool and others.

SEE THE NEW VALUE-PACKED **COMET**...THE BETTER COMPACT CAR

PRICED
UP TO \$331 BELOW
OTHER COMPACTS

HIGH RESALE VALUE
UP TO \$617 MORE THAN OTHER COMPACTS

FINE-CAR FEATURES

Comet is one of the least expensive compacts you can own! These are the facts. Comet costs less when you buy—up to \$331* below other compacts. Comet gives you high resale value—up to \$617* more than other compacts. That's why it pays to own a Comet. But that's not all. Comet has fine-car features, too.

It's the first family-size compact Longer wheelbase—up to 7.5" longer than other compacts—means more Comet room, not only in pleasurable comfort-for-six seating but in over 28 cu. ft. of trunk space—up to twice as much as other compacts.

Comet's big-car ride is the comfort difference Extra length also contributes to Comet's road-leveling ride. The refined new suspension and easier-action springs give Comet a better ride than many standard cars. And you'll find Comet turns, parks and handles almost as easily as a tri-cycle!

Talk about economy and you're talking Comet To save on gas, choose either of Comet's two thrifty engines. You change Comet oil only every 4,000 miles, get 10% better tire mileage, save on license and insurance. And Comet's super-enamel finish won't cost you a cent for waxing—never needs it!

Both two- and four-door sedans and wagons Take your pick from sedans or wagons. Comet wagons have up to 30% more cargo space behind the front seat than most other compacts, plus a convenient roll-down rear window.

Lasting quality, even where it doesn't show Comet is quality, inside and out. Unit-built to keep quiet, stay sturdy and durable, Comet also has rustproofed vital underbody parts, complete soundproofing and an aluminized muffler.

ORDINANCE NO. 61-1

An ordinance providing for the submission to the voters of the Village of Antioch, Lake County, Illinois, the question of issuing \$325,000 sewer bonds at a special election to be held in and for said Village on the 25th day of February, 1961.

WHEREAS, it is deemed advisable and necessary and for the best interests of the Village of Antioch, Lake County, Illinois, in order to promote, protect & safeguard the public health of the inhabitants of said Village that provision be made for the construction of necessary improvements and extensions to the existing sanitary sewer system of said Village, including the construction & installation of additions to the sewage treatment plant consisting of an activated sludge plant with primary sedimentation, aeration, final sedimentation and separate sludge digestion, including the construction of 2600 lin. ft. of 15" sanitary sewer, 2500 lin. ft. of 12" Sanitary Sewer, 7445 lin. ft. of 10" Sanitary Sewer, 21,907 lin. ft. of 8" Sanitary Sewer, 500 lin. ft. of 8" Force Main, one lift station on Depot Street, and 115 manholes, and including all equipment, pumps, connections and appurtenances necessary and incident thereto to make the same an integral part of the existing sanitary sewer system of said Village, all in accordance with the plans and estimate of cost heretofore approved by the President and Board of Trustees and now on file with the Village Clerk;

WHEREAS, the President and Board of Trustees of said Village have heretofore estimated the cost of the construction of the improvements and extensions to said sanitary sewer system and do hereby estimate that it will cost not less than \$495,000, and

WHEREAS, funds are not available for the purpose of constructing the improvements and extensions to said sanitary sewer system as hereinabove described and it will, therefore, be necessary to borrow money in evidence thereof issue bonds of said Village for the purpose of paying part of the cost thereof and before bonds can be issued, the question of issuing said bonds must be submitted to the electors of said Village and be approved by a majority of the electors voting on said question at an election called for that purpose;

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF ANTIOCH, LAKE COUNTY, ILLINOIS, as follows:

SECTION 1. That it is hereby determined to be in the interest of public health and safety that necessary improvements and extensions to the existing sanitary sewer system of said Village be constructed as hereinabove described in the preambles of this ordinance and for the purpose of paying part of the cost of the construction thereof it will be necessary that this Village borrow money and in evidence thereof issue the bonds of said Village.

SECTION 2. That there be borrowed for, by on behalf of said Village the sum of \$325,000 for the purpose of paying part of the cost of constructing necessary improvements and extensions to the existing sanitary sewer system of said Village as described in the preambles heretofore, and that to evidence said loan, negotiable bonds of said Village be issued, and that these bonds be designated "Sewer Bonds," be of the denomination of \$1,000 each, mature serially \$10,000 on February 1 of

each of the years 1963 to 1966, inclusive, \$15,000 on February 1 of each of the years 1967 to 1970, inclusive, \$20,000 on February 1 of each of the years 1971 to 1973, inclusive, \$25,000 on February 1 of each of the years 1974 to 1976, inclusive, and \$30,000 on February 1 of each of the years 1977 to 1979, inclusive, and bear interest from date at the rate of not to exceed four and three-quarters per cent (4 3/4%) per annum, payable semi-annually.

SECTION 3. That the question of issuing said \$325,000 Sewer Bonds of said Village as hereinabove described in Section 2 hereof be submitted to the legal voters of said Village at a special election which is hereby called to be held in and for said Village on Saturday, the 25th day of February, 1961, between the hours of 6:00 o'clock A.M. and 6:00 P.M. of said day.

SECTION 4. That said election shall be held in the election precinct heretofore established for all elections in said Village, and said precinct and the polling place shall be as hereinafter set forth in Section 5 in the form of notice to be given of said election.

SECTION 5. That the Village Clerk of said Village be and is hereby ordered and directed to cause notice of said election to be given by publishing notice thereof once in the Antioch News, Antioch, Illinois, being a newspaper published in and having a general circulation within said Village. The date of such publication of said notice shall be not more than thirty days nor less than fifteen days prior to the date set for said special election and said notice as published shall be in substantially the following form:

NOTICE OF SPECIAL ELECTION TO VOTE UPON THE QUESTION OF ISSUING \$325,000 SEWER BONDS OF THE VILLAGE OF ANTIOCH, LAKE COUNTY, ILLINOIS

Public Notice is hereby given that a special election will be held in and for the Village of Antioch, Lake County, Illinois, on Saturday, the 25th day of February, 1961, at which time there will be submitted to the electors of the said Village the following question:

Shall bonds in the amount of \$325,000 be issued by the Village of Antioch, Lake County, Illinois, for the purpose of paying part of the cost of constructing necessary improvements and extensions to the existing sanitary sewer system of said Village, such bonds maturing, \$10,000 on February 1 of each of the years 1963 to 1966, inclusive, \$15,000 on February 1 of each of the years 1967 to 1970, inclusive, \$20,000 on February 1 of each of the years 1971 to 1973, inclusive, \$25,000 on February 1 of each of the years 1974 to 1976, inclusive, and \$30,000 on February 1 of each of the years 1977 to 1979, inclusive, and bearing interest at the rate of not to exceed four and three-quarters per cent (4 3/4%) per annum?

That for the purpose of said election the corporate limits of the Village of Antioch shall constitute the boundaries of a single election precinct and the polling place for said election shall be at the Village Hall, Antioch, Illinois.

The polls at said election will be opened at 6 o'clock A. M. and will be closed at 6 o'clock P. M., on the date of the election. All persons qualified to vote at regular Village elections are qualified to vote on said question.

By order of the President and Board of Trustees of the Village of Antioch, Lake County, Illinois.
Dated this 25th day of January, 1961.

(Signed) Murrill Cunningham

President, Board of Trustees

Attest:

Conservationists Study Plans For Lake Inventory, Programs

By Tony Marini

Soil Conservation District Supervisors held at Waukegan, recently.

Harold L. Johnson, Madison, associate public health engineer, State Board of Health, told the group that sanitation presents one of the major problems confronting the development of new subdivisions.

"Improper handling of raw sewage presents a real health hazard," he emphasized. The best method of handling is through public facilities of the metropolitan type on a watershed basis. Contractual arrangements on outskirts of settlements through sanitary districts has possibilities.

Raymond Blank, Ozaukee County, president of the Area 7 Supervisors Association presided at the meeting. Konrad Rohrer, Waukegan County, is vice president of the organization, and Arthur Schultz, Jefferson County, is secretary-treasurer.

The Area 7 Association is made up of supervisors of Sheboygan, Dodge, Washington, Ozaukee, Jefferson, Waukegan, Milwaukee, Walworth, Racine and Kenosha County Soil Conservation districts.

Representing the Kenosha County District at the winter meeting were Soil Conservation District Supervisors—Earl Elfers, Trevor, and Leonard Mich, Paris. Other local people present at the session were: Tony Marini, Soil Conservation Service; Paul Jaeger and Lee Smith, County Agent and Horticultural Agent; and county winners in the conservation speaking contest, Mary Benson, Paul Bleneman and Robert Jensen.

C. W. Threinen, administrative assistant, Fish Management Div. of Wisconsin Conservation Department, in opening the program, discussed the classification of Wisconsin lakes.

"Competition for space on our lakes increases annually," the Wis-

consin Conservation Department representative stated. A speedboat-water ski unit requires 40 acres for adequate maneuvering," he said.

Threinen listed lakes, used by priorities with swimming being on top. Following in order were: fishing, boating, athletics, hunting and wildlife.

The Wisconsin Conservation Department is in the process of making inventories of Wisconsin lakes. It is making plans for their development and utilization. Lakes of less than 50 acres should not be used by motor boats, he believes. A shore line activity zone, plus varying speed limit zones, is proposed for larger lakes. Logically the implementation of the proposed program will rest with legislation enacted by State and County governments, it is believed.

I. O. Hembre, Madison, executive secretary of the State Soil Conservation committee, reported on programs for the State meeting of supervisors to be held in Wausau on Feb. 28 and March 1, and the National conclave slated for Memphis, Tenn., next week.

The executive secretary reported on two pieces of proposed State legislation of interest to districts. One involves a matching appropriation for direct assistance to Soil Conservation districts. The other is to add the term "and water" to the designation of the State Soil (And Water) Conservation Committee and Soil (and water) conservation districts.

M. F. Schweers, state conservationist for the United States Soil Conservation Service, reported most of the Soil Conservation District of Area 7 will be involved in flood control plans for the Milwaukee River watershed. In response to a question on progress investigations to date, M. F. Schweers indicated that a reconnaissance type of survey has been made and tentative plans are in the process of development. "We should have something specific soon," he stated.

Warren Still 'King of Hill' In Cage Race

Hard, close play marked conference games in the Northwest Suburban last week, with each team performing Friday and Saturday nights to packed crowds.

Friday Games
Warren continued its supremacy by taking its eighth straight league win by a comfortable 77-67 margin over Wauconda. Playing on their home court, the Bulldogs worked a nice game but were unable to head Warren's classy Blue Devils. Flood and Beshel, with 25 each, were hot for Warren while Coomes, with 9 baskets and 11 charities for 29 points kept Wauconda hopes bright.

Grant Over Grayslake
Taking an early lead against Grayslake Friday, Grant's Bulldogs moved easily to a 69-48 victory over the Rams to remain but one game out of first with a 7-1 record. The Bulldogs, led by Howard with 18, hit from the floor with regularity. The Ram's Alderton, with 25 points, was the evening's high scorer.

Round Lake Over Lake Forest
Round Lake came through with a big second-half rally to score a 58-46 win over Lake Forest for its fourth league win, dumping the Scouts into a last-place tie with Antioch. Lake Forest, always tough, though winless, took an early lead which it held until the third period when Round Lake's surge brought them within firing distance.

Saturday Games
The Warren Blue Devils notched a stronger hold on conference lead Saturday night with a 65-58 overtime win over Ela-Vernon, and in so doing established themselves as a team which can come from behind to win — the sign of greatness! Warren has made a habit of dropping off in the first half, only to surge back in closing moments for the payoff.

Saturday's game with Ela-Vernon's hard playing Bears was no exception. Ela stepped out to a 17-12 edge, held on at the half with the count 33-28, but slipped in the third with Warren ahead 47-40. Ela turned on the heat and knotted the count at the end of the fourth, with the teams 53 all. Warren zoomed back with a 12-point overtime to take the match. Scoring honors went to Warren's Wright with 24, followed by Wright of Ela with 22.

Grayslake Beats Round Lake
The Grayslake Rams came from behind in the second half to nip Round Lake 68-66 in a real thriller. After taking a 17-12 first-quarter lead, Grayslake was bombed with a 24-point second quarter by the Panthers. The score was 36-32 at the half. Panthers leading, Grayslake moved out to 54-45 third quarter lead and held on. Hawkins' 25 points were high for the Rams. G. Williams led Round Lake with 31.

Grant Over Lake Forest
A hot second period pushed Grant to a 58-47 win over Lake Forest Saturday night, their eighth in conference play. The loss held Lake Forest in the cellar, along with Antioch, with a 1-8 record.

Lake Forest's deliberate play held the fast-breaking Bulldogs to a 17-14 first-quarter lead. Grant started rolling in the second and led 35-20 at the half. Lake Forest moved to within six points of Grant in the second half, but the faster, stronger Ingleside club moved out and stayed there.

Auto, Motorcycle Races To Headline Illinois State Fair
This year's Illinois State Fair will open Friday morning, Aug. 11, and continue through Sunday, Aug. 20. Manager Franklin Rust announced that the State Fair will sponsor the American Motorcycle Association races and the United States Automobile Club races. The 100-mile auto race will be Saturday, Aug. 19, and the National Championship Motorcycle races, including the 50-mile classic, is scheduled for Sunday, Aug. 20.

Junior Bowlers Down Ingleside In Three Matches

By Pearl Kapell
Both the Junior and Bantam League Bowling Teams from Antioch made a clean sweep of the three-game match with Ingleside teams at Ingleside on Sunday afternoon, Jan. 29. Totals of the three games for the Antioch Bantams were 683-694-706; Ingleside Bantams, 639-683-635. Ingleside Bantams had a fourteen pin handicap. For the Antioch Juniors, totals were 770-821-770, including a twenty-three pin handicap; Ingleside Juniors, 754-805-745.

Individual scoring for Bantam League bowlers were: Vince Casella, 125-131-202; John Jedele, 117-125-110; Fred Wittleder, 141-100-121; Greg Drijle, 149-152-151; Barbara Casella, 131-186-122.
Ingleside Bantams: Ralph Klein, 131-116-115; Terry Taylor, 93-108-104; Jim Langbein, 143-136-142; Paul Wroblewski, 124-167-138; Steve Spencer, 134-144-122.

Individual scores for Antioch Junior Leaguers were: Jerry Berke, 142-158-121; Ernie Westlund, 189-143-139; Eddie Thayer, 96-160-131; Bill Ozga, 183-189-165 (Major League's move over); Bob Lenczewski, 137-148-191.

Ingleside Juniors were: Dave Spencer, 152-160-128; Art Thompson, 153-176-150; Danny Borg, 173-159-160; Bob Rowdan, 130-128-149; Bruce Deutsch, 146-182-158.

Alternates from the four teams also bowled it out during the match. Ingleside alternates took two from Antioch, with Antioch alternate Ricky Ripley bowling 149-137-153 and Mike Sterbenz scoring 95-162-125. Ingleside alternate Ed Klein rolled 183-200-121 and Bantam Pat Langbein scored 108-109-133.

Squad Seeks To Move Up From Cellar

Antioch High's hungry Sequoits tightened their belts this week in strenuous practice sessions in preparation for Friday night's game with Lake Forest's Scouts. The game is shaping up as a tinger.

Both squads share the conference cellar with 1-8 records and cherish ambitions.

Antioch, with an on-again-off-again brand of play, has been unable to put together a winning combination. However, despite last week's twin losses to Ela-Vernon and Wauconda, hopes are riding high with the locals, for they may have untapped a smooth-working combination for the first time this season.

Coach Larry Leon, never one to stand pat on a line-up unless the boys cut the mustard day in and day out, feels he may have come up with a balanced squad in Herbst, Elliott, Pogose, Hogan and Dittman. That was his starting five Saturday, and that's what he ended with.

If all five mesh in practice sessions this week, they'll probably start Friday.

Encouraging too, is the fact that for the first time, the scoring lead has been lifted from Herbst, with Hogan, Elliott and Pogose giving indications of banging away with regularity. Dittman broke into the scoring column last week, also, and if he can combine some baskets with his improved floor play, will be a decided asset.

Antioch's forward line, though aggressive and rough, is still being out-rebounded under the baskets, but last week's play indicates this will be a thing of the past.

This is one of those years, according to Coach Leon, who will be disappointed if the squad doesn't have several winning games forthcoming.

Antioch Falls To Ela, 54-42, Wauconda

Antioch High's varsity squad played some of its better hardcourt talents last weekend, but they weren't enough to turn back a tough Ela-Vernon squad Friday, or Wauconda's battling Bulldogs the following night.

Coach Leon predicted a rough weekend for his charges and it turned out to be just that, when the Sequoits, turned back 54-42, Friday, were edged out 44-43 by Wauconda on Saturday.

The Lake Zurich squad, burning from an earlier 48-47 loss to Antioch, were ready for the visitors and walked off with a 54-42 win. Coach Leon's squad started strongly in what appeared to be a repeat of their previous win over the Bears and led 11-6 at the quarter.

They held onto their lead until midway in the second quarter, when Ela, overcoming some laxity in its play, outshot the visitors 17-8 to gain a 23-19 halftime advantage. The Bears maintained the pressure in the third and built a 36-29 lead by the end of the period.

The Sequoits came to life with seven straight points to close the gap 38-37. Ela came right back, however, and outscored Antioch 16-5 in closing minutes.

Stung by their seventh loss in conference play to previous evening, Antioch preppers moved off to a fast start against Wauconda Saturday with an early 6-1 lead.

Wauconda, working smoothly, moved ahead to a 13-9 first-quarter edge. Showing a polish lacking in previous games, the Sequoits battled gamely and moved into a 15-15 tie early in the second quarter, but again Wauconda nudged ahead to a 27-19 half-time edge.

Antioch came out from the half and worked up to a brief 31-30 lead on baskets by Hogan and Elliott, but again was passed by Waukegan, who grabbed a 34-33 lead at the quarter. The Bulldogs jumped off to a 44-37 lead before the Sequoits began cicking in closing moments when Herbst, Elliott and Pogose nearly pulled the game out of the fire.

Coach Leon stayed with his starting line-up through Saturday's game and it could be he has found a combination that will produce winning results.

Free Course In Boat Handling Starts Monday At Grant

The first session of a free 12-week course of the U. S. Power Squadron Course in "Piloting and Small Boat Handling" will be held at 8 p.m. Monday at Grant High School, Ingleside.

The course will be conducted by the Waukegan Power Squadron and will cover such topics as safety afloat, small boat handling, rules of the road, equipment and government regulations, charts and marine compass.

Ralph Fritsch, Antioch, is one of seven instructors assisting Tom Sheard, Fox Lake, in presenting the course. Others include John Sterling, Richmond; Ray Schmidt, Round Lake Park; Robert Radtke, Crystal Lake; Everett Bradley, Gages Lake; George Cina, McHenry; and Lou Bearslee, Woodstock.

The course is free to all interested in safer boating. The U. S. Power Squadron is a national educational organization dedicated to safer boating through education.

Eiserman Named Varsity Coach at Grayslake High

William Eiserman has been named head varsity football coach at Grayslake High School. He will fill the vacancy left by the resignation of Richard Olufs earlier this month.

The move will become official when Eiserman signs contracts next month, it was learned.

With Eiserman as head varsity football coach, other shifts have been made in the school coaching staff. Wayne Brockway, assistant sophomore coach for the past two years, becomes assistant varsity coach.

Tom Eastman, assistant varsity coach for three years, will take over as head sophomore coach, and Carl Miller remains as head freshman coach.

The posts of assistant sophomore and freshman coach are vacant at present.

Eiserman, among top prep athletes in Warren High history, came to Grayslake in 1957 as assistant to head coach Pat Rooney.

Scatter the Pins
Eddy Thayer, member of the Coca Cola Junior League, wracked up a 506 series with games of 199-160-147, to continue the hot pace the youngsters have been setting over past weeks. Talling him closely was Bill Ozga, with 497 in games of 167-165-165.

In open bowling, young Phil Mapleshorpe, Bantam, rolled a 196 game. Not bad for one with an 89 average.

Sophs Continue Win Streak

Antioch's high-flying sophomore cagers made it six straight last weekend by virtue of victories over Ela-Vernon and Wauconda, giving them a 6-3 record in conference play and an 8-4 overall record.

Traveling to Ela on Friday, the junior Sequoits dumped the host squad by a 66-57 count, and pleased a home crowd Saturday by downing Wauconda 49-42 in a thriller.

In Friday's game, Ela jumped off Hickory Knolls Golf Course none; Slove's Bakery 2, Corbin's Lounge 1; Karry's Transmission 2, Joe's Tap 1.

George's Bar beat Joe & Helen's 2.

to a commanding 35-26 half-time lead by outscoring Antioch 15-12 in the first and 20-14 in the second periods.

However, the Sequoits roared back in the third, outtitting Ela 17-7 to gain a one point lead, 43-42. Behind the sharpshooting of Lang, with 24 points, Antioch sophs moved out in front, outscoring Ela 23-15 to take their fifth straight.

Anything but the squad that lost its first three league games of the season, Antioch's sophs moved out 12-5 in the first quarter of their game Saturday with Wauconda and held on gamely. The local cagers moved into a 26-17 half-time lead, only to have Wauconda battle them evenly during the third with both teams scoring 13 points.

With Antioch leading 39-30 at the end of the third, the Panthers worked hard to shave the margin but were able to outscore the Sequoits by but two points 12-10 in the final quarter, and it just wasn't enough.

High scorers for the Sequoits on Friday were Lang with 24, Brownlee 19 and Kubicki 13. Hallwas with 17, Kubicki 16 and Brownlee 10, were high Saturday.
Mann, with 33 was high for Ela-Vernon on Friday, while Freund, 18, led Wauconda scorers on Saturday.
